Heavy Storm ‘Floods’ County
Dixie Lake Rises 53 Inches

The severe storms that have been raging for days in the area have caused the level of Dixie Lake to rise 53 inches above its normal level. The lake, located in the southern part of the county, has swollen to a point where it has overflowed its banks and flooded nearby areas. Rescue efforts are underway to evacuate the affected residents. The state has declared a state of emergency and has activated the National Guard to assist in the relief efforts.

Beckville Businesses Struck By Burglars

Burglars struck Beckville last night, breaking into several businesses and stealing property worth thousands of dollars. The Beckville Police Department is investigating the incident and has set up a rewards program for anyone who provides information leading to the arrest of the suspects. The community is urged to remain vigilant and to report any suspicious activity.

Anglers Eyeing Lake Maxval

Fishing enthusiasts are eagerly awaiting the opening of the fishing season on Lake Maxval. The lake, located in the northwestern part of the county, is known for its abundant fish population. Anglers are expected to flock to the lake as soon as the water cools down and the fish become more active.

Local Woman Found Dead In Stock Pond

A local woman was found dead in Stock Pond this morning. The Coroner’s Office is investigating the incident and has ruled the death a suicide. The family is grieving and has requested privacy. The community is advised to respect the family’s wishes and to avoid speculating on the cause of death.

Hall Elected ‘By A Landslide’

In the recent election, John Hall was elected as the new County Commissioner by a landslide margin. He received more than 90% of the votes cast, securing his victory in what was considered a close race.

Medicare Insurance To Rise

Beginning July 1, Medicare Insurance rates will increase. The rise is due to increasing costs and inflation. Benefits will remain the same, but the cost-sharing portion will rise. Those With Medicare Card will need to provide insurance information to the pharmacist when purchasing prescription drugs. There will be no change in the amount paid by the patient at the time of purchase.
