THIS WEEK'S
Sunday School Lesson

The Spread of The Church

Background Scripture: Numbers 8:1-8; 10:11-14;
1 Chronicles 21:26; Romans 1:16

Introduction:

The spread of the church throughout the ancient world was remarkable.
It began with a small group of disciples, led by Jesus, and expanded to
include people from every nation and every social class. This spread
was not due to military conquest or political power, but to the
message of salvation and love of Jesus Christ.

Activities:

1. Read the passage from Numbers 8:1-8. Discuss what it says about
   the spread of the church.
2. Watch the video on the church's spread throughout the world.
3. Share a personal story about how you became a part of the church.

Devotional:

The church is a community of believers who come together to
worship God and grow in their faith. This community is not
limited to a specific place or time, but is a part of the
universe. As we spread the message of the church, we are
also spreading God's love and salvation to all people.
