Boat Ramp, Ambulance Okayed

Two County Women First Lady Volunteers

The joint concert of singing by Mrs. J.L. Turner and Mrs. H.J. Turner has been approved by the drama and music department.

The Panola County Telephone

The Panola County Telephone Company will be available for the construction of the new boat ramp. The company will be responsible for the construction and maintenance of the ramp.

Panola County Telephone's new boat ramp is now under construction. The company has made arrangements with the state to provide a small grant for the project. The ramp will be located on Lake Palestine and will provide easy access to the lake for boaters.

The new boat ramp is expected to be completed by the end of the year. The company has also plans to add additional amenities to the area, such as picnic tables and restrooms.

Panola County Telephone's new boat ramp will not only benefit the local boating community but also attract visitors to the area. The company is excited to bring this project to fruition and looks forward to sharing the results with the community.
