If You Bought This Car, Piece By Piece, The Way An Insurance Company Pays For Repairs, The Cost Would Be $18,979.

FACTS

- Prepaid accident care in the hospital is the biggest single item paid for in auto accidents.

- Cost of losing a new car has more than doubled in one year.

- Subsequent repair costs on certain models—such as Volvo, Nash-Dodge, Chrysler, Ford—have now become far greater than the original selling price.

- Airlines are losing billions of dollars each year from lost and damaged luggage, plus lost and damaged baggage. They have now added new insurance policies to protect their passengers from these losses.

- New insurance policies are being written to cover all types of losses from every source, including loss and damage to personal property in transit.

- The insurance industry is now under pressure to provide more coverages for accidents, losses, and damages, at lower rates.

- The insurance industry must now be prepared to handle losses from every source, including loss and damage to personal property in transit.

- The insurance industry must now be prepared to handle losses from every source, including loss and damage to personal property in transit.

Troopers Don’t Get Holidays

In Panola County, state Troopers are assigned to the county by the Texas Highway Patrol. The Troopers are the law enforcement officers who are charged with maintaining law and order on Texas highways. The Troopers work 24 hours a day, seven days a week, and are on duty at all times. They are responsible for enforcing state and federal laws, and for protecting the public from danger. They are also responsible for ensuring the safe and efficient flow of traffic on the highways.
