Construction In Caruthers

Great care was exercised in selecting the location of the new construction site for the City’s new building. The site was chosen for its proximity to present buildings and the ease of access for materials and equipment. The work is progressing smoothly, and the city is expected to move into the new building within the next few months.

Mass Flu Shots Unlikely

City, County Health Officer Says

A member of the advisory committee in charge of the flu shots in the City of Caruthers has been quoted as saying there is no likelihood of the flu shots being available in the near future. The committee, according to Dr. W.B. Smith, the city’s health officer, is working on the problem, but there are many factors that make it difficult to organize and implement a program for flu shots. The committee is currently investigating options for providing flu shots to the public, but it is not clear when these will be available.

Local Chamber Parking Lot Released

The Panola County Chamber of Commerce is releasing the parking lot at the Chamber of Commerce in Caruthers for public use. This is a great opportunity for the community to use the lot, and the Chamber is hoping to see increased traffic and business for local businesses.

Free Bike Offered

For Jr. Salesmen

The United Fund Drive kicked off with a special event for junior salesmen. The United Fund is a charitable organization that works to provide financial assistance to those in need. The event was held at a local restaurant, and the junior salesmen were able to meet and network with other members of the community.

Lake Usage Fee Still Undecided

The proposed lake usage fee has not yet been decided by the city council. The fee would be used to cover the costs of maintaining and improving the lake. The city is currently gathering data and conducting surveys to determine the best course of action.

TANK DELIVERED—A Max-Air United tank was delivered to the local National Guard Armory for use as a training device by the 10th Airborne Division, 10th Airborne, 10th Airborne, and 10th Airborne, Division, in Caruthers. This tank, which weighs 18 tons, features 60,000 cu. ft. of gas tank with 26 ft. cylinder tank in support. Shown unloading the equipment, shipped by low boy from Paramount Oil and Gas Co., is Capt. C.W. Holcomb, who is in charge of the local National Guard Armory.
