Our Need to Be Reconciled

Background Information: School Days (12)

School closures, students, community centers, and other places of learning have been affected by the pandemic. This has caused a great deal of uncertainty and anxiety among students, teachers, and families. As schools begin to reopen, it is important to consider the impact of the pandemic on education and how we can best support our students.

Our Need to Be Reconciled

For Cattle Comeback

By Joe Reid

As cattle prices continue to rise, farmers and ranchers are looking for ways to increase their herd sizes. One solution is to purchase new heifers, which can help increase the herd size and improve overall productivity. However, the process of purchasing new heifers can be expensive and time-consuming.
