The project is expected to cost around $57,654.

City Tables Animal Ordinance
Proposed by Humane Society

The City of Curtisville is under consideration for a proposed animal ordinance. The ordinance would require pet owners to register their pets with the city and provide a description of the sex, breed, age, and any other information relevant to the animal. Failure to comply with the ordinance would result in fines. The proposed ordinance would also make it easier for the city to control and regulate the animal population.

Halloween: A County-Wide Celebration

The annual Halloween event will take place on October 31st. The event will feature a variety of activities, including a costume contest, trick-or-treating, and a parade. Local businesses and organizations will be participating in the event. The event is open to the public and is free to attend. The event is expected to draw a large crowd.
 Pine Tree Loses Heartbreaker

The Pine Tree Pardoes lost a heartbreaker to the Whiffs in the opening game of the Clogue County League season, falling to the Whiffs 13-7 at Pine Tree Stadium. The Pardoes, who were favored going into the game, were unable to capitalize on several scoring opportunities, allowing the Whiffs to pull away in the second half. The Pardoes will look to bounce back next week when they host the Red Sox in their home opener.

Dogs To Battle Tough Kilgore

The Pine Tree Pardoes face a tough test in their season opener against the Kilgore Bulldogs. The Bulldogs have a mix of talent and experience and will be looking to prove themselves in their debut. The Pardoes, who are favored in the game, will need to be sharp on both offense and defense to come out on top.
