Panola Will Offer Typing Refresher

Panola College will offer a typing refresher course in September. The course will be taught by a local teacher and will cover basic typing skills.

The course is designed for students who need to improve their typing skills or for those who have been out of the workforce for a while and need a refresher.

LETTERS

Selfless...Selfless...Selfless...

The letter writer expresses concern about the increasing demand for volunteer work in the community.

"I have been volunteering for the last five years," the writer states. "But lately, it seems like everyone wants to do something for nothing. It's time for people to start giving back to their community, instead of expecting others to do it for them."

Nursing Home Solves Cooling Unit Problem

The nursing home solved its cooling unit problem by installing a new system. The new system is more energy-efficient and has improved the comfort level for the residents.

Easy...Easy...Easy...

The writer praises the new system, which has made a significant difference in the residents' quality of life.

"The new system is a Godsend," the writer states. "It has made the nursing home a much more comfortable place to be. I have noticed a significant improvement in the residents' mood and overall well-being."

Membership Drive Starts

The PTA is launching a membership drive this fall to increase its membership and raise funds for various projects. The drive is open to all parents and community members.

"We need your support to make this drive a success," the writer states. "Your membership will help us provide more programs and activities for our students."

New Arrivals

A new family has moved into the neighborhood. The family consists of Mr. and Mrs. Brown and their three children, ages 1, 3, and 5.

The family is known for their hospitality and has already become a fixture in the community.

Local Woman Re-Elected

A local woman has been re-elected to the school board. She received over 70% of the vote.

"I am honored to have been re-elected," the writer states. "I will continue to work hard for the students and community."
Congress: Thumbs, No Moves

There are millions of Americans who are concerned about the rising cost of living. The government policies are not helping to make things better. The government should be doing something to help the people. Congress is not doing anything to help the people.

CHS Students Learn Crafts

A group of students at CHS is learning new crafts. They are learning to make pottery and sculpture. The students are working hard to learn these new skills. They are learning to use clay and other materials to create new pieces of art.
