called for a new agriculture building
located on a 60-acre site near the
Panola County Fairgrounds. However,
the plan has been changed to
compromise with objections from
neighbors who had concerns about
the size of the new building.

The Panola County Fair is the official
county fair of Panola County, located in
Carthage, Texas. The fair is held every
year and features a variety of events
including rodeos, concerts, and food
vendors. The fairgrounds are located
on FM 1463, just west of Carthage,
Texas.
