But Action Delayed

New Rules Bantered

Parish City Councilmen spent hours discussing possible changes to the city's cable television regulations, but they were unable to reach a consensus. The meetings became heated, and finally they adjourned without making any decisions.

Charges Are Filed

Following Accident

The accident occurred last night when a car ran a stop sign and collided with another vehicle. The driver of the car was arrested for reckless driving.

This Week

The Mighty Mules of Football will play in the Big 8, the Carthage High School band will perform at the game, and the Carthage Fire Department will hold a fundraiser.

Workers Get More Coverage, More Cost

Pandu County employees will get more coverage for their health insurance, but the cost will also increase. This is due to the new regulations implemented by the state.

OPINION * FEATURES

Wish Her Well

For a multitude made up to visit Fort Worth, Texas, to celebrate the 75th anniversary of the founding of the Panhandle State University, the editor of this newspaper, on behalf of the many who have given their time and energy to the university, wishes to extend her best wishes to the university and all those who have contributed to its success.

Phony Sports

University of Texas' football season has been a disappointment to many fans. However, the team has shown improvement in recent games, and there is hope for a better performance in the future.

Gravy On Moon

The project to launch a gravy on the moon has been canceled due to budget constraints. The project was intended to promote a new brand of gravy, but the cost outweighed the benefits.

Out Of The Past

The history of the university is rich and varied. It is a history of perseverance and triumph, and it is a history that should be celebrated.

Nearly 800 Families Contacted For Histories

Nearly 800 families have been contacted for their histories as part of the university's centennial celebration. The goal is to collect as many family histories as possible to create a comprehensive history of the university.

Wilkins Leads Second Half Charge

Ponies 'Feed' On Crowder, 58-52

Formed in 1943, the Wilkins High School basketball team has been a consistent force in their region, and their last game against Crowder was no exception. Wilkins started the game with a steady lead, but Crowder managed to catch up in the first half. However, Wilkins maintained their lead in the second half, resulting in a final score of 58-52 in their favor. This game showcased the team's ability to adjust and respond to the challenges posed by their opponents, demonstrating their determination and skill.

Intense Competition Predicted In Gary

For Boys Basketball Tournament

The Gary high school district is gearing up for their annual boys basketball tournament. This year promises to be one of the most competitive, with teams from various schools in the region vying for the championship. The competition is expected to be intense, with each team bringing their best to the court. The tournament will be a great opportunity for players to showcase their skills and for fans to enjoy some high-quality basketball.

EF Nips Rams

Local Teams In EF Tourney

The EF High School basketball team has been in great form recently, and their victory over the Rams reflects their strong team spirit and determination. The EF team has been practicing hard, and their hard work has paid off, resulting in a decisive win. This victory not only boosts the morale of the team but also inspires the local community.

LK Zone Defense Baffles Bulldog JV

Local teams will be well matched for the Tourney

The match between the LK Zone and the Bulldog JV teams was a fierce competition, with both teams displaying excellent defense. The LK Zone team's Zone defense baffle the Bulldog team, making it difficult for them to score. The game was a great test of the skills of both teams, and the LK Zone team emerged victorious, demonstrating their teamwork and strategy.

Industrial Sewer Rate Vetoed

By Carthage Commissioners

A proposed increase in sewer rates was vetoed by the Carthage commissioners, delaying the implementation of the rate hike. The vote of the commissioners was unanimous, reflecting their concern for the economic impact of the increase on the community. The veto was a move to ensure that the city's infrastructure remains sustainable while also protecting the financial well-being of its residents.

Prepared Flour: Alice Thomas, left, Terry Allard and sketch artist Dan Christiansen draw in a field in front of their Carthage Post Office during Carthage Post Office's annual Christmas party on Wednesday, Dec. 1 at 11 a.m. Walker joins TFS Office

Walker also operates the Chamber of Commerce and serves on the TFS Board of Directors. Walker's multifaceted role in the community is a testament to his dedication and commitment to improving the quality of life for residents.

About News People

News people often face unique challenges in the field of journalism, such as maintaining a balance between their professional responsibilities and personal lives. They must also navigate the pressures of deadlines and competition. Despite these challenges, news people continue to deliver informative and engaging content to their audience, playing a crucial role in democratically informed society.

Local Rainfall Below Normal

It's been a dry and cool summer, but the rain has been slow to arrive. The local area has received 1.4 inches of rain since the beginning of the year. The current rainfall is below the long-term average for this time of year. The area has been experiencing below-normal temperatures, which has contributed to the dry conditions. The current forecast calls for more dry conditions in the coming weeks. The risk of wildfires has increased, and residents are encouraged to take precautions to prevent fires. Firefighters are on high alert, and the community is asked to be vigilant and report any signs of fire. The local weather department is monitoring the situation closely and will provide updates as needed. Residents are encouraged to stay informed and follow the advice of local authorities. The project name is Meet the Members of the Panola County Chamber of Commerce.

Improvements Still Too Costly

"Our community is in need of improvements, but the current economic conditions make it difficult to secure funding," said Mayor Smith. "We have identified several projects that would benefit the community, but the cost is too high. We are exploring alternative funding options, such as grants and public-private partnerships. We are also considering cost-saving measures, such as improving the efficiency of our operations. We are committed to making our community a better place to live, work, and play." The project name is Meet the Members of the Panola County Chamber of Commerce.

Yule Parade Set Monday

"The Yule Parade is an annual event that brings the community together," said City Manager Johnson. "It is a fun and festive way to celebrate the holiday season. We are looking forward to seeing everyone come out and enjoy the parade. The parade will start at 2 p.m. on Monday, December 5, in downtown Panola. The theme this year is "Holiday Magic." We have a lot of great floats, performers, and activities planned. We hope everyone will come out and join in the fun." The project name is Meet the Members of the Panola County Chamber of Commerce.
