For Sever, Street, Drainage Projects

City To Seek Federal Grants

Sewer, street, storm and drainage projects for the City of Lenoir City are listed in the city's agenda for the next meeting. The city council has decided to seek federal funds for these projects.

Sewer work, sewer bridging and drainage work will be done by the city. The city will seek federal grants that could fund $1.5 million of the $3 million project.

The city council has also approved the application for a $100,000 grant from the Department of Housing and Urban Development.

Woman Shot In Back

‘Friend’ Is Sought

A young woman was shot in the back outside her home early Tuesday morning. The woman, who was hit by a stray bullet, is in critical condition.
