Two club members join Harris Chapel

Beckville, Texas, is the home of the Harris Chapel, a historic and picturesque church nestled in the heart of the countryside. The chapel is known for its intricate woodwork and beautiful stained glass windows, which have been a source of inspiration for many visitors over the years.

On a recent Sunday, the Harris Chapel had its usual Sunday service, attended by members of the community. During the service, two new members joined the congregation, bringing the total number of members to 50. The congregation welcomed them with open arms and congratulated them on their decision to join.

- SHOPLIFT...

- Take a look at the whole picture. Shoplifting leads to a permanent police record. Sometimes even a lengthy jail sentence and large fine. It could destroy your chances of a decent job, any education, even a loan. So if you're tempted to shoplift this holiday season, think about the bleak picture it's saved you.
