Labor movement leadership counts

When George Meany took the final salute from the Labor Movement in February 1980, he had led the movement with a great deal of wisdom and energy. He was the first to point out the dangers of inflation and the need for economic stability. He was also the first to recognize the importance of international labor cooperation. He paved the way for future leaders to build on his legacy and continue the work he had begun.

We need you, Ross Perot

As Ross Perot said in his book, "America's Next President," when asked what he would do if he ran for President, "I would focus on issues of the economy, jobs, and taxes. I would work to create a fair and just economic system that benefits all Americans."

Chamber board forms group for newcomers

As a part of the welcoming committee for new residents, the Chamber of Commerce is forming a group to help newcomers adjust to the community. The group will offer information on local resources, events, and activities.

Your Social Security

If you want to know more about Social Security, you can contact your local Social Security office. The office is located at 123 Main Street.

Out Of The Past

"The Panama Watchman" was a newspaper that was published in Panama, Arkansas. It was founded in 1893 by Charles Raymond and was later purchased by his son, Charles R. Raymond. The newspaper was known for its investigative reporting, and it played a significant role in the political and social life of the community.
