A MESSAGE FROM MIKE WARD

When you vote Saturday, you will be making a decision about the direction you want state government to go for the next two years.

I made a decision a year ago. I decided to be a candidate for State Representative after I watched the Texas Legislature vote for almost every piece of special interest legislation the Austin Lobby wanted. The last session was so bad that much of the press called it "The Year of the Lobby." To make matters worse while the Austin Lobby was having it's way, much of the good legislation that affected our educational system, energy independence, the elderly, farmers and small businessmen was never allowed to the floor of the legislature to be voted on. This session cost you money, and gave very little return for that money.

Mr. opponent voted with the Austin Lobby. His campaigns have been funded by many of the Austin Lobby groups. He voted with them during this session. This is a matter of public record. If he has voted a balanced record he would not be running. I believe he has not. I am running.

I believe that my practical experience as a former small businessman who meets a payroll, a husband and concerned parent of two children, gives me the ability to bring a balanced viewpoint to the legislature in your behalf. This is why I am running.

I ask for your vote. If you believe we can do better, please turn out and vote for Mike Ward.

Thank you.
