Convulsive omen

The warning may come in a message on the weather, a call to an emergency service, or a newspaper article on a storm. It may be a natural disaster or a political upheaval. But one thing is certain: when it strikes, it is impossible to ignore.

Mike Kelley says

People crab about pet peeves

In Mike Kelley's opinion piece, he discusses the importance of addressing personal pet peeves head-on. Kelley argues that ignoring our pet peeves only leads to frustration and dissatisfaction. Instead, he advocates for acknowledging our pet peeves and working to alleviate them. Kelley believes that by doing so, we can create a more harmonious and satisfying environment.

Your Social Security

But the idea is not to seek a new income source. The Social Security program was designed to provide a steady stream of income for those who have reached retirement age. It is not intended to be a one-time gift or a windfall.

S.x.-year term

Every four years the United States undergoes a presidential election. This process is often marked by controversy, debate, and intense political campaigning. The choice of the next president has far-reaching implications for the country and its citizens.

The Henna Watch

THANKS TO THE VOTERS OF PANOLA COUNTY PRECINCT 1

I want to express my appreciation for the splendid vote and support I received as a write-in candidate for commissioner of Precinct 1.

I am sincerely thankful for your help and support. I am still a candidate in the race. To those who supported me in the first primary, your loyalty is greatly appreciated. I am looking forward to seeing you in November 1 in the Saturday, June 7th election.
