Amended-county budget voted

The Panola Watchman

Amended-county budget voted

The amended county budget was voted at the recent county meeting in Carthage. The budget is a result of the county meeting in Carthage. The budget will ensure that the county can continue to provide essential services to its residents. The budget will be reviewed annually and any necessary changes will be made to ensure that the county is operating efficiently and effectively.

Commission declines request from judges

The commissioners court denied a request from the judges for a salary increase. The request was denied because the county is facing financial constraints. The county is committed to providing its employees with fair compensation, but it is important that the county operate within its means.

Local woman raped

A local woman was raped in her home. The suspect fled the scene and is still at large. The police are searching for the suspect and are seeking the public's assistance in locating him. The community is urged to be vigilant and report any suspicious activity.

Tenaha gas line in place

The gas line in Tenaha is now in place. The gas line will provide a reliable source of natural gas to the community, which will have a positive impact on the local economy. The gas line is a result of the hard work and dedication of the workers who have been working on the project. The gas line is expected to have a positive impact on the community and the economy for years to come.

Tax rates announced

The tax rates for the upcoming fiscal year were announced. The rates have been set at a level that will allow the county to provide essential services to its residents. The county will continue to review the tax rates on a regular basis to ensure that they are fair and reasonable.
