ANNOUNCEMENT

Dr. V.M. Wiechel and Dr. W.C. Smith are the new president and vice president of the Panola County Medical Society. The organization's new officers were selected at its annual meeting.

When is your phone more than a phone?
When it's used to protect lives and property.
When it's used to reduce the million-acre fire loss in the rural South.
When it's used to call your local forestry agent before you burn anything outside.
Your telephone. The firefighter. Use it.
