PANOLA COUNTY, This Week

The Panola County Watchman
Military pension reforms likely

For much of the last decade, the military pension system has been a target for change. In 2001, President Bush signed a bill that included several changes to the system, including a 40% increase in the amount of money that military members would receive upon retirement. However, the military pension system is still facing significant challenges.

Planning for leisure

It's true that many American families are looking for ways to plan for leisure. With more people working from home and seeking flexible schedules, it's no surprise that many are looking for ways to incorporate leisure activities into their lives. Whether it's a family trip, a solo adventure, or a new hobby, there are plenty of options to choose from.

Peloubet, Agee solemnize vows

The second annual wedding of Terri Wilson and David Milligan was solemnized by the Rev. James Agee in Jefferson church.

The couple, who met while attending Panola College, are both graduates of the college. Terri Wilson, a senior at the school, is majoring in business administration, while David Milligan, a junior, is majoring in engineering.

Boases travel to Cancun

Mr. and Mrs. Richard Boase and children, John, 10, and Karen, 8, traveled to Cancun, Mexico, over the past week. The Boases, who are regular visitors to Cancun, said they look forward to the trip every year. They said they enjoy the beaches and the culture of the area.

Couple to wed

Mr. and Mrs. David Andrus of Midland, Texas, will have a wedding reception at the Midland Country Club on Saturday, October 12, at 8 p.m. The couple, who met while attending a business conference in Cancun, said they are looking forward to their wedding and the new chapter in their lives.

PUBLIC NOTICE

CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 1980

PROPOSITION NO. 1

1. Shall the following Constitutional Amendment be added to the Constitution of the State of South Dakota:
   "The people of the State of South Dakota hereby declare that it is the policy of this State to encourage, support, and promote the adoption and implementation of energy conservation and energy efficiency measures, and to encourage, support, and promote the development and use of alternative energy sources, including, but not limited to, wind, solar, geothermal, and hydropower, as well as the conservation of energy resources, in a manner that balances the need for economic development, the environment, and social equity."

PROPOSITION NO. 2

2. Shall Article 4, Chapter 26, of the Constitution of the State of South Dakota, relating to the State Development Commission, be amended to provide that the State Development Commission shall include the following members:
   - One member appointed by the Governor
   - One member appointed by the State Legislature
   - One member appointed by the South Dakota Utilities Commission
   - One member appointed by the South Dakota Board of Education
   - One member appointed by the South Dakota Department of Commerce

PROPOSITION NO. 3

3. Shall the State of South Dakota enter into a participating agreement with the Federal Government for the purpose of sharing in any costs, benefits, or responsibilities for the development, implementation, and maintenance of an energy efficiency program or program, as defined in Section 34-1-201, South Dakota Code 1980, as amended?

The above propositions, if adopted, shall be by a majority of the votes cast in favor of each proposition. If a majority of the voters shall vote for any of the propositions, such propositions shall become part of the Constitution of the State of South Dakota.

In 21-19 Bulldog decision

Dramatic triumph still sweet

Yellowjacket victory over Eagles more than just a win for Malone

"I just don't think we won a game this year. We didn't do anything to win a game." - Coach A. B. Malone

Two days after finishing the season with a loss to Longhorn, the Cats took the field to face the Bulldogs. It was a game of two halves, with the Bulldogs taking control in the first half and the Cats making a comeback in the second half. The final score was 21-19 in favor of the Bulldogs, but the Cats showed resilience and determination throughout the game.

Dramatic triumph still sweet

Despite the loss, the Cats showed their determination in the second half. "It was a tough game, but we fought hard," said Coach A. B. Malone. "We were down by 14 points at halftime, but we came back and made a comeback in the second half. We showed our resilience and determination, which is something we can be proud of."

Football star dies

The local football star was tragically killed in a car accident last night. The player was known for his exceptional skills and was widely regarded as a future star. "It's a devastating loss," said the team's coach. "He was a great player and a great person. Our thoughts and prayers are with his family and friends."

Win tarnished

The local football team was in high spirits after winning their first game of the season. However, their victory was tarnished by the tragic death of a teammate. "This is a tough time for our team," said the coach. "We lost a great player and a great friend. We will honor his memory and continue to fight hard in his honor."

Two consecutive shutouts

The local football team has been on a roll, winning their last two games with shutouts. "We've been playing well," said the coach. "Our defense has been solid and our offense has been clicking. We've been playing as a team and it's been working well for us."

Cats jump out to 2-0

The local football team started the season with a bang, winning their first two games by a combined score of 2-0. "We were off to a slow start last year," said the coach. "This year, we've been playing with more confidence and we're working hard to improve. We're happy with our start so far and we're looking forward to the rest of the season."

Kilgore, Tyler vault into first place tie with wins

The Kilgore Rangers and Tyler Pats each won on Thursday to move to 2-0 in District 3-5A play, leaving them in a first-place tie in the district.

Kilgore defeated Longview 45-8. The Rangers scored 17 unanswered points after Longview scored first.

Tyler beat Paris on the road 28-0. It was the Pats' first shutout in nearly a decade.

Bass grow
Texas Parks and Wildlife Department officials say the growing season for largemouth bass is far from over.

The department is urging anglers to continue to fish for bass through the fall and winter months.

"The bass are still active, and we encourage anglers to continue to catch and release these fish," said Dr. Tom Throckmorton, director of the Texas Parks and Wildlife Department.

Boat buying may solve problems of water bug
The state is considering allowing boaters to use boats to control water bugs.

Water bugs are a major problem in Texas waterways, and the state is looking into using boats to help control the bugs.

"Boats are one of our best tools in the battle against water bugs," said Throckmorton. "We hope to have more information on this in the near future."

Through mom's help, cowboy wins world roping title

A cowboy who was raised by his mother to become a world champion will tell his story in a new book.

"Mom was my rock," said Brown. "She helped me through every obstacle."
