Texas hero honored

In Texas 13 years ago, a man named Henry F. Merkle Jr. was found lying on the side of the road, suffering from brain damage. He was later identified as a Vietnam War hero who had been shot down in action. It was a tragic end to a young man who had dedicated his life to serving his country.

S & L rights upheld

Checking accounts legal

The Supreme Court has upheld the constitutionality of checking accounts. This decision will have a significant impact on the financial industry, as many banks have been concerned about the legality of this practice.

Flu season due early this year

The flu season is expected to start earlier this year than in previous years. Health officials are warning people to take precautions to avoid contracting the virus.

Mail order vacations under investigation

The Better Business Bureau is investigating reports of mail order vacations that were promised but never delivered. Consumers are being urged to be cautious when responding to such offers.
