**Pair survives car-train wreck**

A young couple from Carthage, Miss., had a narrow escape Wednesday night when their car collided with a train at a railroad crossing. The couple, identified as Mr. and Mrs. John Smith, were both unhurt, but their car was totaled.

**Court house scene seen in courthouse**

The scene in the Carthage Courthouse was a testament to the grandeur of the building. The couple was seen standing in front of a large painting, admiring its beauty.

**OBITUARIES**

A local newspaper issued an obituary for a prominent local businessperson who passed away last week. The obituary was a touching tribute to the person's life and contributions to the community.

**To make Christmas brighter**

Foster homes need aid

As the holiday season approaches, many foster homes are in need of assistance. The local community is encouraged to donate items such as clothing, toys, and household supplies.

**More Than Money...People Are Our Business**

Fathers, who teach their sons by example, have found it easy and pleasant in the accommodating atmosphere of the First State.
IQ tests eyed

By Dr. J. S. Whiteman

The Princeton Review has published a list of the 100 best colleges in the United States, based on factors such as academic quality, campus facilities, student life, and overall value. This list is intended to help students and their families make informed decisions about where to apply for college. The Princeton Review also offers a free online tool that allows students to compare their academic performance with that of their peers.

Recycle motor oil to cut foreign imports

When it comes to saving U.S. dollars, recycling motor oil is an excellent option. Not only does it reduce the amount of waste sent to landfills, but it also helps to cut foreign imports. The United States imports a significant amount of motor oil from other countries, which makes recycling oil even more important.

Prepaid brainwashing

By Dr. J. S. Whiteman

The concept of brainwashing has been around for a long time, but with the rise of social media and fake news, it has become even more prevalent. People are constantly bombarded with information that can be misleading, and it can be difficult to know what to believe. However, by being aware of the tactics used in brainwashing, we can better protect ourselves.

Your Social Security

By Dr. J. S. Whiteman

Social Security is a program that provides retirement, disability, and survivors benefits to eligible individuals. It is funded through payroll taxes and is one of the largest sources of income for many Americans. It is important to understand how Social Security works and how to maximize your benefits.
