County employees get 20 percent pay hike

BROOKSHIRE, Texas (AP) — County employees here are set to receive a 20 percent pay hike, the highest in the country, starting Jan. 9.

The county commissioners voted unanimously to implement the raise, effective Jan. 9. The raise will affect all county employees, including judges, the sheriff, constable, district attorney, and county clerk.

Justice of peace says help needed to handle cases

Justice of peace John Baker said he needs extra help to handle cases.

Baker said he regularly handles cases in several towns, but has recently noticed a surge in the number of cases he's been assigned.
