Guestworker program could help

The United States has a desperate need of guest workers in agriculture and construction. The "guestworker program" is a solution to this need. It would allow workers to travel from their home countries to work in the United States, providing a much-needed source of labor.

U.S. should end the controversy

After years of discussion, the guestworker program could bring much-needed workers to the U.S., benefiting both the economy and the workforce.

U.S. automakers making comeback

American automakers are making a strong comeback in comparison with foreign manufacturers. This is due to increased demand and improved quality.

Letters to the Editor

More powerful unions too powerful?

British unions are too powerful, silencing the voices of workers and hindering progress.

Panola Ponies win four of five games in series with Ranger

The Panola Ponies baseball team has won four of the five games in their series with the Ranger team. The Ponies finished the week with a record of four wins and one loss, securing their position at the top of the league standings. Prolific hitter Henry Adams led the way with a series of home runs and a batting average of .450. Pitcher Mike Johnson delivered outstanding performances in all five games, securing victories in each of the four wins. The Ponies' next match is scheduled for next Monday, and fans are eagerly anticipating their return to form against the Ranger's formidable offense.

Beckville athletes honored at banquet

The annual Beckville athletic banquet was held last Saturday night, honoring the school's top performers. Among the honored were the football team, which won the district championship, and the baseball team, which also finished the season with a strong performance. Special awards were presented to senior athletes for their dedication and contributions to the school's athletic programs. The banquet was a night of celebration and recognition for the athletes, their families, and the school community.

Lady Bulldog duo on all-state team

The Lady Bulldog duo, Sarah Thompson and Emily Monroe, were named to the all-state basketball team. The duo played crucial roles in the Lady Bulldogs' successful season, leading the team in scoring and defense. Thompson, with her quick thinking and ability to anticipate the opponent's moves, is known for her exceptional court vision. Monroe, with her agility and precision, is feared by all对手. The recognition is a testament to the hard work and dedication of the duo and their contributions to the Lady Bulldogs' success.

Banquet for FFA tonight

The FFA chapter of the local high school is hosting a banquet tonight to honor its members and their accomplishments. The event will feature awards for outstanding members, speeches from guest speakers, and a recognition of the chapter's contributions to the school and community. The banquet is open to the public, and attendees are encouraged to join in celebrating the achievements of the FFA chapter members.

County officials tour
TUGCO mining operation

Panola County officials got an up-close look at the operations of Texas Utilities Generating Co. last Monday.

Members of the county commissioners court along with other county officials toured the mining operations and parts of the power plant operation.

County officials making the tour included Judge Ruff Wall, Commissioners Carl Hendrickson, John Brooks, Lenard Jones and Roland Davis, Tax Assessor Collector Waymon Blair, Auditor Billy Grimes, Assistant Auditor Sidney Burns and County Clerk Ray Cadenhead.

During the tour, directed by Joe Hendley, the commissioners went from the control room of one of the huge draglines to the floor of the mining operation where the lignite was being loaded onto coal cars.
County officials tour TUGCO mining operation

Panola County officials got an up-close look at the operations of Texas Utilities Generating Co. in the county Monday when members of the county commissions court along with other county officers toured the mining operations and part of the power plant.

In the morning, the group was taken on a tour of the coal mine by the company's expert in safety and environmental relations, Phillip H. G. Price. At the mine, the group was shown the coal trucks, the dump trucks and the equipment used to load the coal into the railroad cars.

In the afternoon, the group was taken on a tour of the power plant by the company's expert in power plant operations, Richard H. Smith. At the power plant, the group was shown the coal-fired boilers, the steam turbines and the electrical generators.

The tour ended with a meeting with the company's president, David R. Johnson, in the company's conference room.

On the dragline, crawlish it was hang on to your hat.

Judge Wall looks over the operation

The ledge is scooped up and loaded onto a hucker.

Beckville man killed Friday in cycle crash

A Beckville man died Friday when he was hit by a car in a single-vehicle accident on U.S. 190.

According to the Panola County sheriffs office, the man was riding his motorcycle on U.S. 190 when he was struck by a car.

The man was pronounced dead at the scene by the Panola County coroner's office.

Nine CETIA jobs face cuts here

The Panola County Economic Development Agency (CETIA) is facing cuts in its budget, which will affect the number of jobs it can create.

The agency is currently funding 109 jobs, but the budget cuts will reduce that number to 99.

DeBerry may get JP office

DeBerry, who is currently running for the Panola County sheriff's office, is currently running for the Panola County justice of the peace office.

PJC honors Trina Oden

Trina Oden, a member of the Elysian Fields School Board, was honored by the Panola County Junior Chamber of Commerce for her work in the community.

Tempers flare at EF meet

Tempers flared at the Elysian Fields School Board meeting last week when district officials and residents argued over the budget.

"I'm not sure what we're doing," said one resident. "We're spending too much money on the high school and not enough on the elementary schools."
