Jernigan Loop residents want to slow down the traffic

Jernigan Loop residents want to slow down the traffic. They have started a petition to request the installation of speed bumps and signage to alert drivers to the area's residents. The petition has been circulating among neighborhood residents and is gaining support. The residents hope to have the issue addressed by the City of Carthage soon. The petition can be found at the Jernigan Loop Community Center.

Governor White selects Carthage man for position

Governor White has selected a Carthage man for a key position in his administration. The man, who was previously a Commissioner, will take on a new role as the Governor's Chief of Staff. The move is expected to have significant impacts on the way the Governor's office operates. The Governor's spokesperson said the man was chosen because of his experience and dedication to public service.

Marshall's World

Old Murph was right

There's a law and one principle saying for the man in the street to follow. The law is no when, and the other is, well, it's a bit of a gray area. I know what Murph is saying when he says, "If it's the law you can break it", it's more about breaking the law when it's in your best interest. But I don't know Murph is talking about when he says, "If it's the law you can't break it". It's a bit of a gray area.
