I grew up in the OK region of Texas and I've always loved bluegrass music. I've been to several bluegrass festivals in recent years and I've seen some amazing musicians. One of my favorite things about bluegrass music is the way it brings people together from all over.

HANDICAPPED PARKING

I was at the local mall recently and I saw a parking space designated for people with disabilities. It made me think about how important it is for people with disabilities to have access to public spaces. I wish more people would think about this issue.

**Farm Bureau opposes illegal alien sanctions**

James McFadden is back in Carthage

The Farm Bureau opposes illegal alien sanctions. A recent survey by the Bureau shows that over 60% of its members who have farms in the Carthage area are against the proposed sanctions. The survey was conducted among 100 farmers in the area. It was found that most of the farmers are against the sanctions because they believe that they will hurt the economy of the area. The Bureau has also been active in trying to educate the public about the effects of the sanctions on the economy. The Bureau believes that the sanctions will only cause more problems and that the government should be focusing on other issues.

**Damp weather causes mechanical problems**

Mechanical problems are a common occurrence in areas with damp weather. The damp air can cause rust and corrosion on metal objects. This can lead to a variety of problems such as weakening of the metal, formation of cracks, and decreased strength. To prevent these problems, it is important to maintain proper ventilation and to use appropriate materials that are resistant to dampness. In addition, regular maintenance and inspection are necessary to ensure the longevity of mechanical systems in damp areas.

Kiwanians win golf tourney

The Kiwanians sponsored a golf tournament on June 1st. The tournament was held at the Civic Center Golf Course, and the proceeds will go towards the Kiwanians' charity work. The tournament was well-attended, and the Kiwanians were proud of the results.

Elite performances overlooked

The CHS athletes were overshadowed by the performances of the tourists. The athletes did their best, but the tourists stole the show. It was a shame, as the athletes had worked hard for months to prepare for the event.

Quality Fence gains first

Quality Fence was the big winner of the day. The company gained its first win in the tournament, and the team is looking forward to their next game. The win was a result of their hard work and dedication.

Forfeit possible, however

The game against Bexar County II was called off due to a possible forfeit. The decision was made after the team failed to show up for the game. The team is now working hard to make sure they don't make any more mistakes in the future.

Kiwian keeps 9-10 lead

Kiwanian kept his 9-10 lead in the tournament. The team is looking forward to their next game against San Antonio. The team is confident that they can win the game and keep their lead.

Tourney planned

The Civic Center will be hosting a golf tournament on June 2nd. The tournament is open to all, and the proceeds will go towards the Kiwanians' charity work. The tournament is expected to be a lot of fun, and everyone is invited to attend.

The Journal also congratulated a 14-year-old on his record-breaking performance in the tournament. The 14-year-old set a new record in the tournament, and the Journal was proud of the young man.

The Journal also reported that a 14-year-old set a new record in the tournament. The young man is a rising star, and the Journal is looking forward to seeing what he can achieve in the future.

Quality Fence was crowned the big winner of the day. The company gained its first win in the tournament, and the team is looking forward to their next game. The win was a result of their hard work and dedication.
Sharpe hits 20 in 15-2 victory

George Sharpe homered on 20 hits, including five in Los Angeles, as the Cardinals defeated the Giants, 15-2, in the last of a three-game series. Sharpe's hit total was the second-highest in a three-game series, matching the mark set by Pete Rose in 1975. Sharpe's performance earned him the Player of the Game award.

Lions top Golden to close on second

The Lions topped the Golden to close on second place in the standings, winning 6-2 as a result of a strong performance by their pitching staff. The Lions' victory was bolstered by a solid defense, which prevented Golden from scoring more than two runs.

In Dixie 11-12

Auto Parts wins first

Kate Gentry defeated the Mike's Parts Cars in the first game of the day, winning 11-12. The match-up was hotly contested, with both teams putting up a strong fight. However, Auto Parts emerged victorious with their impressive performance.

Leaders cop 10-3 victory

Kevin Gentry and Tom Gentry combined on the mound to shut down the Auto Parts. The pair allowed only one run, and the 10-3 victory put the Lions in the lead in the standings.

Drug team wins

Ben Robinson and Todd Thompson dominated the Auto Parts, winning 10-3 with a solid performance by their pitching staff. The pair allowed only one run, and the Drug team maintained their lead in the standings.

Game forfeited

The game was forfeited due to a dispute over the number of players on the field. The Lions and Auto Parts were evenly matched, with both teams putting up a strong fight. However, the game was officially ruled a forfeit.

Templeton rips Holmes by 23-2

Templeton placed 11th in the standings, with a strong showing against Holmes. The Lions won 23-2, with a dominating performance by their pitching staff. The victory put Templeton in the lead in the standings.

Youngblood Hall

Panola Hospital improvements provided through memorial donation.

In memory of Dr. John B. Youngblood, a long-time Panola Hospital employee and physician, a memorial fund has been established to support improvements at the hospital.

Dr. Youngblood was a dedicated and compassionate physician who served the community for many years. He was known for his kindness and his commitment to providing quality care to all patients. In his memory, this memorial fund will be used to provide upgrades and improvements to the hospital, ensuring that it continues to be a place where patients receive the best possible care.

The memorial fund will be used to support various projects, including the purchase of new equipment, the renovation of patient rooms, and the improvement of the overall facilities. Contributions to the fund can be made through Panola Hospital, and the hospital will keep the public updated on how the funds are being used.

If you would like to make a contribution to the memorial fund, please contact Panola Hospital at 693-5850. Your support will help ensure that Dr. Youngblood's legacy of compassionate care continues to be remembered for many years to come.
