Editorial:

Qualifications not important at Courthouse

It should never be necessary that Panola County Commissioners, the majority of whom are elected to office, must be well educated, have a college education, or a law degree in order to be qualified to hold office.

And the old adage philosophy, "It's not necessary that he other person be, but the one who is," certainly applies to qualifications of the applicants for the position of Commissioner. It has been established that education is not the predominant factor in determining a person's qualifications for public office.

The other belief that they have the application of Mr. Wilson, is that persons with no educational qualifications are not qualified for public office.

That qualification for the job ascribable to the other person is not necessary but the one who is, certainly applies to qualifications of the applicants for the position of Commissioner.

Tatum, Cats renew rivalry

By Mike Wilke

BECKVILLE — The Texas High School Football Playoff Championships should be a tough, close contest Friday night when the two teams clash.

Beckville is No. 2 in Class 1A, while Tatum is No. 3. The winner will advance to the state playoffs.

Beckville coach Donnie Schrader said his team is ready for the challenge.

"We've got a big game on our hands," Schrader said. "We've got to be ready to play our best game of the season."
Eagles given 11-point nod Friday
Tatum, Cats renew rivalry

As Rich Miller

TATUM — If the Tatum Eagles' 14-0 victory over New Diana earlier this season was a hotly contested battle, the matchup between the Eagles and the New Diana Bulldogs tonight should serve as a hotly anticipated renewal.

The Eagles, who won the previous meeting, hold a 1-0 record, while the Bulldogs are 0-1. A win tonight could give Tatum its first unbeaten season since 1990.

Back in the 1990s, the Eagles and Bulldogs had a heated rivalry, which included a dramatic finish in a 1994 game that ended in a 21-20 loss for the Eagles.

New Diana, on the other hand, is looking to improve its fortunes after a disappointing 2023 season. The Bulldogs have struggled to find consistent offensive production, and the defense has been porous.

Tonight's game is expected to be a close contest, with both teams looking to gain the upper hand. The Eagles will aim to continue their winning streak, while the Bulldogs will hope to secure their first victory of the season.

Win needed to boost confidence
Shelbyville big hurdle for young 'Jackets

As Rich Miller

Shelbyville High School football coach Mike Freeman is looking for his young team to find its footing this season.

The Jackets, who have struggled in recent seasons, are hoping to turn things around this year, with Freeman bringing in a new coaching staff and a renewed sense of optimism.

However, the Jackets face a tough test tonight, as they host the Tatum Eagles.

Shelbyville has a young and talented roster, but the Eagles are experienced and determined.

Tonight's game will be a crucial test for the Jackets, who will need to step up on both sides of the ball.

Tatum, on the other hand, is looking to延续 their winning streak, having gone 3-0 so far this season.

Despite the challenges, the Jackets are determined to show their resilience and fight for a win.
