It's time to patch the constitution

Some recent court orders appear to go to the heart of our State and Federal constitutions. If the courts are correct in their interpretation of the law, some of our state and federal laws may be found to be unconstitutional. Tatum faces Karnack in crucial battle

A lot of things are possible in the final two weeks of the season, but the most likely scenario is that Tatum and Karnack both have winning records and most likely will be mathematically eliminated from the playoffs. But we’re not in that stage yet, and it would be hard to say the best team in the state could have more at stake than these two teams.

Both teams face crucial playoff games this week, but Karnack has the loss of its best player, P.J. Hiran, which could be a game-breaker. Tatum, on the other hand, is still unbeaten in district play and is in the mix for a playoff berth.

Elysian Fields may see end to nightmare

The worst of a long drought may be just about over for Elysian Fields as the Indians released their 1983 schedule recently. The Indians have not been through a season without a loss since 1922, but chemistry problems and poor luck have contributed to the drought.

The Indians have scheduled a home opener on Aug. 26 against Rankin High School. In recent years, the Indians have been regulars in the playoffs, but lack of success has permitted them to play in the悠长 drought.

The Indians won't have much help from their scoring veterans this season. The Indians lost their top two scorers in John Brown and John Johnson. Brown's high score was 12 points, and Johnson's was 11.

The Indians had a new coach this season. The Indians' coach is Allen Thomas, who was the assistant coach last year. Thomas said he expects the Indians to make a good showing this season.

The Indians' schedule this season includes games against some top teams in the state. The Indians have scheduled games against Rankin High, Enterprise High, and Enterprise High.

The Indians' season opener is against Rankin High on Aug. 26. The Indians have scheduled games against Enterprise High on Sept. 2, and Enterprise High on Sept. 16.
