Clinton, Hawk hurl victories

**NOTES**

Catcher pitching performance by Haskell Ben "Chick" Cline led to a 1-0 victory by the Panthers over Lufkin on Saturday in Panola's home opener. Cline not only pitched but also drove in the winning run with a sacrifice fly in the first inning. He stopped the scoreless game by the Indians by throwing a complete seven innings. Cline was supported by a strong defense which made a total of 15 putouts and five assists. The Panthers scored in the first inning when Cline sacrificed home the winning run. UIL District 5-5A.

B’ville students claim honors during contest

By Kelly Osterhaas

B’ville students have been performing as members of the B’ville band and orchestra, achieving high honors in recent contests. Students are currently working hard to prepare for the upcoming competition, and are excited to showcase their talents. The band and orchestra practices regularly, and is looking forward to the opportunity to perform at the contest.

Commissioners approve airport change

Commissioner John A. Billings and Commissioner Charles A. Doty approved a change in the airport. The change will allow for the construction of a new terminal, which will provide more space for passengers. The new terminal will also feature improved facilities, including additional gates and baggage claim areas.

Forage and livestock field day set

The Texas A&M AgriLife Extension Service will host a forage and livestock field day on September 28. The event will provide information on forage production and livestock management, and will feature demonstrations and workshops. The field day is open to the public, and will be held at the Texas A&M AgriLife Station in College Station.

Card of thanks

The family of [name] would like to express their gratitude to [recipient] for their kindness and support during [occasion]. They appreciate the time and effort [recipient] took to [action], and would like to extend their thanks for their thoughtful gesture.

Oil location staked

Oil location staked at [location] on [date]. The area has been staked for 1.5 miles in all directions. The staking is part of the exploration efforts by [company] to determine the potential for oil and gas in the area.

Film offers look at land, people struggles

A new film, titled "Land of the Free," offers a look at the struggles of landowners and rural communities. The film highlights the impact of development on the landscape and the people who live there, and explores the ways in which landowners are fighting to protect their way of life.

Harris Chapel

ST. DENIS HEATON

Harris, this Sunday night is your last chance to see the New York Giants play football at the Coliseum. Bring your friends and family, it's sure to be an exciting game.

The event starts at 7:30 p.m. and admission is free, but there's a $5 parking fee. Food and beverages will be available for purchase. Don't miss out on this incredible opportunity to cheer on the Giants!

Lmao, it's the weekend! We're planning on hitting up the movies and grabbing some grub at the food court. Anyone else planning to do something fun this weekend?

Let's talk!

Woods goes to convention

Rita Woods represented the Fairway Water Supply Cooperative in the State Rural Water Convention held in Place recently.

The first general session featured speakers from the FAU Foundation and the Texas Water Resources Board. The main speaker was James L. DeBakey, Assistant to the President of the NAAC and director of Cowboy Insurance.

The first general session focused on the future of water supply in rural Texas. The next day, the convention concluded with the evening events. The program was divided into different technical topics.

The second general session featured speakers on water supply and conservation. The final day of the convention featured a tour of local water treatment plants and a panel discussion on the future of water supply in rural Texas.

New company strategy

As a new Texas water supply cooperative, we are excited to announce our new strategy. Our goal is to provide high-quality water service to our members while maintaining a strong focus on sustainability.

We are committed to reducing our carbon footprint and implementing practices that minimize environmental impact. This includes investing in new technologies and processes that are more efficient and sustainable.

We believe that by working together, we can achieve our goals and ensure a bright future for our community.
