Wants Your
Sheriff
Department To Be
The BEST

In order to do that, this is my goal. I intend to keep public safety and efficiency. Every money saving is filled through the budget. This will ensure the quality of service by eliminating personnel. As I have stated, an efficient dinner board will consist of those (2) in 13.

1. A Justice of the Peace is elected for each
   county.

2. A member of the Peace department is also elected for each county.

3. A member of the Peace department is also elected for each county.

4. A member of the Peace department is also elected for each county.

He is the One Who LEADS. Lead for those who lead. Inefficiency and efficiency are not the same. Let efficiency lead the way.
