Market conditions cause 'temporary' decline

County tax roll values drop 16 percent

by Steve Miller

Tampa Tribune

County tax roll values dropped 16 percent this year, according to Information Management Systems, which compiled the data. The drop in value, however, is not expected to be permanent, according to the firm's president, who said market conditions are expected to improve in the next few years.

Up 12 percent

City sales tax
totals improve

by Susan Delano

Orlando Sentinel

Sales tax collections for May increased by 12 percent over the same period last year. The city's sales tax revenues have shown a steady increase in the past five years, and the growth is expected to continue.

Vote recounts Tuesday

by Barbara Jones

Florida Today

The recount for the November election will take place Tuesday, with a final tally expected by the end of the day. The recount will be held in all counties where the margin of victory is within 1 percent.

Murvaul fish
growth prospects eyed

by Jim Smith

Miami Herald

The board of directors for the Panola County Fish and Wildlife Foundation has established a program to increase the growth of fish in the county's lakes. The program will be funded through donations and grants from local businesses.

Monday night discussions planned

Editorial:
New animal control draft looks good

The draft for new animal control ordinance is being presented by the City Council. The ordinance will allow animal control officers to issue citations for dangerous and vicious dogs. A summary of damage must be present for the issuance. The ordinance is necessary for the safety of both the animals and their owners. The ordinance will also allow for the issuance of a warrant for the removal of a dog when the owner fails to comply with the ordinance. The ordinance is a step in the right direction for the protection of both the animals and their owners.

Fans to honor baseball team Saturday

Beckville can be proud of great season

When James Walker took over the Beckville baseball program this spring, he knew he had to do something special to honor the team's past.

"I wanted to do something that would really show how much the community loves these kids," Walker said. "I decided to create a statue in their honor." The statue was unveiled on Saturday in front of the school.

Walker's idea was to create a large statue of the team next to their field. The statue would be made of bronze and would feature the entire team, their uniforms, and the school's colors.

The statue was funded by the community and local businesses, and it was built by a local artist. The unveiling ceremony included speeches from Walker and the team's coach, as well as a ribbon-cutting ceremony.

The team's past was also honored with a special recognition ceremony. The team's best players were given plaques and certificates, and they were recognized for their accomplishments.

"These kids have worked so hard," Walker said. "I'm proud of them."

A LOOK AT PERSONALITIES, HERITAGE AND LIFESTYLES IN OUR COMMUNITY

Artist paints from pallet of inspiration

By John F. Price

Linda Fisher, artist, uses a pallet of colors to create her own beautiful collection of paintings. In addition to traditional techniques, she often incorporates found objects into her works, adding a unique touch to her creative process. Her studio is located in the heart of downtown Panola, where she welcomes visitors to view her latest creations. Linda's dedication to her craft has earned her numerous awards and recognition, making her a cherished member of the local art community.

Card of thanks

The family of Mr. William Davis wishes to express their appreciation to the many friends, family, and neighbors who have shown them kindness and support during their time of sorrow. Their heartfelt thanks go out to all who have offered condolences and assistance during this difficult period. May God bless you all.

Card of thanks

The family of Mr. Charles Davis wishes to express their appreciation to those who have been a source of comfort and support during their time of loss. Their deepest gratitude goes out to all who have offered their condolences and assistance during this difficult period. May God bless you all.

Minister moves to Center

The Rev. Charles Stovall, minister of First Baptist Church, has recently moved to Center. He is the new pastor of First Baptist Church Center. The following year in 1935, the Reverend Stovall organized the First Baptist Church of Center. The church has been a source of spiritual guidance and support for the community ever since. The Reverend Stovall is well-known for his dedication to his faith and his commitment to serving the community.

NOTICE TO THE PUBLIC

CITIES SERVICE OIL AND GAS CORPORATION
Carthage Field Gas Gathering System
Panola County

It has come to Cities Service Oil and Gas Corporation’s attention that some residential, commercial, and industrial gas through unauthorized connections, or "tapping," into the raw natural-gas gathering pipeline serving the Panola Processing Plant. The gathering system is not designed for sale use by residential owners. The gas is extremely dangerous for residential use since it is not treated, and it may be subject to explosion and/or due to the possibility of pressure and possible contamination of liquids and other components.

Cities Service Oil and Gas Corporation will not accept liability for personal injury, death or property damage that may result from any unauthorized use of the natural gas. For the safety of these unauthorized users, the public in general, and for the protection of all owners to discover any such gas pipeline connections and to abandon tapping connections. Any attempts to purchase unauthorized natural gas connections serving residences or other buildings will result in Cities Service Oil and Gas Corporation's liability for the cost of correction or removal of such connections. In these cases, including legal action, to prevent and to eliminate Cities Service Oil and Gas Corporation's property and to eliminate the safety hazard created.

City to seek bids on stray animal control program

By Sally Downard

Corinthians could have all their stray animal control program by the end of the year. A committee will be established to see what it would cost to put the program into effect and to seek bids from companies to provide the service. The committee will be made up of city officials and representatives of local animal welfare organizations. The program would include trapping, neutering, and return to the owners of stray pets.
