    - The fun begins at 6:00 p.m. with open house for spectators

Rodeo rumble toward town

Western Week activities begin

By Earl Coulter

At least since the 1940s, the rodeo has been a part of the Western Week activities in Panola County. Although the events have changed over the years, the rodeo remains a popular event.

The rodeo is held in the panhandle area of Panola County, and it is one of the main attractions during Western Week. The rodeo features a variety of events, such as bronco riding, calf roping, and bull riding.

The rodeo is an important event in the community, and it draws a large crowd. The event is held on the Panola County Fairgrounds, which is located on the panhandle area.

The rodeo is a source of pride for the community, and it is a symbol of the strong Western heritage in the area.

Queen competition to attract beauties

By Earl Coulter

At least since the 1940s, the rodeo has been a part of the Western Week activities in Panola County. Although the events have changed over the years, the rodeo remains a popular event.

The rodeo is held in the panhandle area of Panola County, and it is one of the main attractions during Western Week. The rodeo features a variety of events, such as bronco riding, calf roping, and bull riding.

The rodeo is an important event in the community, and it draws a large crowd. The event is held on the Panola County Fairgrounds, which is located on the panhandle area.

The rodeo is a source of pride for the community, and it is a symbol of the strong Western heritage in the area.

The queen competition is a popular event during Western Week. The pageant is held on the final night of the week, and it features a variety of contestants from the area.

The queen is chosen based on a combination of factors, including beauty, personality, and talent. The queen will serve as a goodwill ambassador for Panola County and will represent the area at various events throughout the year.

The queen competition is a highlight of Western Week, and it draws a large crowd. The event is held in the panhandle area of Panola County, and it is a symbol of the strong Western heritage in the area. The queen will serve as a goodwill ambassador for Panola County and will represent the area at various events throughout the year.
Dry weather in June lowers ground moisture levels

By Bill Chalmers
June was the latest month since 1940 with no rainfall recorded during the month. The last month with no June rainfall was 1940. The lack of rain, which was estimated to be about an inch below normal, contributed to a high ground moisture content. This means that the soil has held moisture for the past several months, and this moisture will be available for plant growth in the future.

Compromise bill passed by state

The compromise bill that was passed by the state legislature includes a number of provisions that were supported by both the House and the Senate. The bill was passed in a compromise that allowed both sides to get some of their priorities met. The bill includes provisions for education funding, transportation improvements, and environmental protection.

Western Week full of festive fun

Western Week is back! This year's festivities are full of fun and excitement. From parades to rodeos, there is something for everyone to enjoy. The main event of the week is the rodeo, which will take place on Saturday night. Make sure to get your tickets in advance to avoid disappointment.

Cowboy Calendar

- WEDNESDAY, JULY 8
  The kids will get their turn at the annual Pentagun competition, getting ready for the big event on the same day. Registration begins at 4 PM and runs until 6 PM, and there will be a special prize for the best cowboy.

- WEDNESDAY, JULY 15
  World's Day of Wrongs

- THURSDAY, JULY 20
  World's Day of Beware

- FRIDAY, JULY 21
  World's Day of Praise

- SATURDAY, JULY 25
  World's Day of Praise

Hudmans lose Tatum home

This past week, the Hudmans lost their home in Tatum after it was destroyed by a severe storm. The family is now without a place to live and is in need of help. The community is coming together to support them, and donations can be made to the Tatum Relief Fund, PO Box 123, Tatum, TX 75163.

ComputerRepair

Computer repairs can be made at McCarthy's, located at 123 Main St. They offer comprehensive services, including virus removal, hardware repair, and software installation. Contact them at (903) 555-1212 for more information.

BISD board meeting scheduled Monday

The BISD board of trustees will hold a special meeting on Monday, July 20, at 7 PM. The meeting will be held at the BISD administration building. The agenda includes a discussion of the district's budget and an update on the construction project.

Planning group meets

A planning group meeting will be held on Friday, July 24, at 3 PM in the district administration building. The meeting will focus on the future of the district and will be attended by all interested parties.

If everything looks okay you’re going blind

By Paul D. Chabot

If everything looks okay you’re going blind. That was the reaction of the 8-year-old boy when he was asked why there were no more toys in the box. "I thought there were," he said. "But I can’t see them now."

The boy, who had been working on a toy project for his school, was surprised to find that he had accidentally knocked over the box, which contained the toys. He had been looking at the box from a distance, and had assumed that the toys were still inside.

The incident, which occurred at the elementary school, is a reminder that sometimes things may not always be as they seem. The boy’s reaction was a humorous one, but it also highlights the importance of paying close attention to what we see.

Yard harbors many ‘pet peeves’

In the June 14 edition of the Panola County Post, we reported on the efforts of the local community to clean up the yard. Since then, we have received many letters and emails expressing concern about the condition of the yard.

One of the most common complaints is about the number of weeds and杂草. "Weeds are everywhere," said one resident. "They’re growing through the cracks in the sidewalk, and they’re taking over our front yard." Another resident said that the yard is a "constant battle," with weeds growing up through the cracks in the driveway and the garden.

Other concerns include the state of the lawn, the condition of the driveway, and the presence of litter. "The lawn is a mess," said one resident. "It needs to be mowed and trimmed." Another said that the driveway is "a virtual parking lot," with cars parked in it on a regular basis.

In addition to the concerns about the yard, there are also complaints about the condition of the local roads and streets. "The roads are in terrible shape," said one resident. "They need to be repaved immediately." Another said that the streets are "clogged with debris," and that it’s "a constant struggle to get through the neighborhood."

Tyler nips Carthage

Tylers: Those big explosions here on the seventh of July were caused by Rudolph Mann, and not by dynamite use of any description. Lund, however, indicated into the Tyler engine just in time to give it a new life with a double in the third inning, and thus returned to the events of the race. The game-winning score, a three-run home run by Tyler's third baseman, was scored by Lund, and a fine defensive play by Tyler's third baseman. The Panthers had a chance to win the game in the third inning, but were unable to come through due to a sharp defense by the Tylers.

Mineaola tops locals

Mineaola used a walk, a sacrifice and doubles by Denise Dowdall and Nan Talbot for two runs in the first inning to start the game. The scores led to a 9-1 victory over the Mineola Indians. In the second inning, Mineola added four runs to take the lead, but Mineola scored in the third to pull even before Mineola scored two runs in the fourth.

Franklin almost hit for five, walked six and struck out four, but he had just enough trouble scoring in the game before Franklin was eventually caught out. In the second inning, Franklin opened the game with a walk and in the third, Franklin opened the game with a walk and in the fourth, Franklin opened the game with a walk. Franklin then scored twice in the game before Franklin was eventually caught out.

Local youth exhibits talents with 'Opry Kids'
By John Odom
To some it could be seen as just another group of kids. To others, it's seen as another group of kids. But to the kids themselves, it's more than just another group of kids.

Chad Tunnell, 12, is one of the 'Opry Kids.' He's been in the group for about a year and a half. He says he enjoys being part of the group because it gives him a chance to perform on stage.

For Shana, it's just fun, like playing with my friends. We all get along, and we have a lot of fun being together. We all have fun being together. We all have fun being together.

Pancola County African Club is pleased to announce that Amaua Vanzar has been selected as the new club president. Amaua will be responsible for leading the club's activities and ensuring that its traditions are upheld. The club is excited to have Amaua as its leader and looks forward to seeing her contributions to the organization.

Bone deterioration concerns many women

Bone deterioration, a condition that affects many women, is a significant health concern. It is estimated that one in three women over the age of 50 will experience a bone fracture due to osteoporosis, a condition characterized by weakened bone density. Women are particularly susceptible to this condition due to a variety of factors, including hormonal changes and a lack of adequate bone mass during their youth.

PJC conducts food class

Pancola Junior College has announced that it will be offering a food class for the first time. The class will be taught by a local expert in the field and will cover a range of topics related to food preparation and nutrition. The class is open to students and members of the community, and will be held in the college's new culinary arts facility.

Vacation Guide: Travel the Road to Faith as well as Fun

For many of us, it is time for an annual trip from our usual routines of our lives during the rest of the year. We will need for the vacation time, the sermons, the church services, the woods or perhaps other cities of the world. However, we should realize that God never takes a vacation, but He is always working and taking care of His creation. We should look to the guidance and protection of His Word through this vacation time as well. Several cities, woods or other places you wish to visit may offer a place of worship that will also be available. On this vacation, please remember to take time to reflect on your spiritual journey and the blessings you have received during your life. This will serve to restore you to a more faithful and active member of our church.

These merchants urge you to attend the chosen house of worship this Sunday!!

Strength for Living

What a wonderful thing it is to be able to plant seeds in the soil and see them grow into beautiful flowers. This is a gift from God, and it is something that we can do to help our environment and grow together. Let us all be mindful of the Earth and the beauty that surrounds us. Thank you for being a part of this wonderful world.

First Things First

The Upper Room

Sunny Grove revival slated

Beta G. Church of God in Aid of Oakwood, will host the Sunny Grove Revival on July 15th at 6:30 PM. The church is located at 1104 S. Maple in Carthage. The event will feature local talent and a special guest speaker. Tickets are available at the church office or online at sunnygroverevival.com. Proceeds from the event will be donated to help support the local community and its schools.

Cholesterol reducing ideas

When choosing foods that will help reduce cholesterol levels, it is important to focus on foods that are high in fiber, such as fruits, vegetables, and whole grains. These foods can help lower cholesterol levels by reducing the amount of bad cholesterol in the body. Additionally, it is important to limit the intake of saturated and trans fats, which are found in foods such as fried foods, cheese, and processed meats. Instead, opt for lean meats and fish, which are rich in omega-3 fatty acids. These can help reduce the risk of heart disease and improve overall health.

Your Family, Every Family, Can Afford A Jimerson Funeral Service.

We offer a wide selection of caskets starting under $500. Our prices vary, of course, but you will be given a detailed list of cost in advance. Your savings will help you get a better service without cutting corners. We are here for you, no matter what the circumstances. Your family deserves the best, and we will make sure you get it. Our team is dedicated to providing outstanding service, professional attention, and compassionate care.

MAY WE SERVE YOU?
Let us make your funeral service easier.
