**Buechler attends 1984 Texas 4-H congress**

Pamela Buechler, 10, and her twin brother, Scott, both 10, and their mother, Barbara, 41, from left, represent Waco in the 1984 Texas 4-H congress. The congress was held in July in Austin. The three were accompanied by the Waco 4-H Club Chapter. Barbara said the children were excited to attend the congress and learn about new projects and activities. "They're learning a lot," she said. "It's a great opportunity for them." The children were among 800 other 4-H members from across the state who attended the congress. The congress included workshops, exhibits, and competitions. The children were also able to attend concerts and other events during their stay in Austin. "They had a lot of fun," Barbara said. "They're already planning to go back next year." **Singles group enjoys swim party**

The Central Baptist Church singles group held a swim party at the home of Mrs. and Mr. Robert T. Moody. The event included swimming, dancing, and refreshments. The group gathered to celebrate the arrival of warm weather and enjoy each other's company. **Locals participate in retail training**

Three local business owners participated in a retail management training program sponsored by the Waco Chamber of Commerce. The program is designed to help small business owners improve their skills and increase their profitability. The program includes workshops on topics such as inventory management, customer service, and financial planning. The participants were selected for the program by the Chamber of Commerce. The program is funded by a grant from the Waco Economic Development Corporation. **Back-to-school sale**

County budget hearings set for Monday, July 30

The budget for the 1984-1985 fiscal year is $139,542,000. The proposed budget includes an increase in personnel, an increase in pension costs, and an increase in debt service costs. The total budget is $139,542,000, up from the current year's budget of $134,428,000. The increase includes an additional $5,000 for office support and equipment. The budget for the coming year is $5,114,000, up from the current year's budget of $4,936,000.
Garbage rates increased by city commision

An amendment increasing the current garbage collection rates for residences would be considered by the City Commission at its March 8 meeting. The increase is expected to help offset the cost of the city’s new garbage collection system.

The current rates are $17.00 per month for an apartment with one unit and $24.00 per month for a house with one unit. The proposed increase would raise the rates by $2.00 and $3.00, respectively.

The amendment is expected to be part of the city’s budget for the upcoming fiscal year, which begins on April 1. The increase in garbage rates is expected to generate an additional $115,000 in revenue for the city.
