Cattle victims of drought

Local cattle and other animals are beginning to feel the effects of the unusually dry season.

By Gary Peterson

This is just the starting point for farmers and ranchers in the area, who are struggling to keep their herds alive in the face of persistent dry weather. The drought has led to a shortage of feed, forcing many farmers to sell their cattle at a loss. Some farmers have reported that their herds are down by as much as 50%, and the situation is expected to worsen as the summer progresses.

Trailer park owner found in violation of codes

By Mike Penley

A declarant against Oaks Trailer Park members asked for the city of the park for code violations. The owner of the park has 30 days to comply or face legal action. The declarant said that the owner had been caught red-handed at the park repeatedly. The owner denied the charges, saying that he had been误会混淆和混乱。

Rabid skunk found in Deadwood area

By Bill Grimes

A dead skunk found in the R.C. Winnemer residence in Deadwood was confirmed as rabid by the state health department. Public Health Veterinarian Dr. Richard D. Ferris of Tyler said that the skunk had been kept in the house for two weeks. It was believed to be the cause of a rabid cat that had been found in the area. The cat had not been tested for rabies.

Gary ISD considers lowering tax rate

By Mike Peterson

A tax rate hearing is scheduled for the Gary Independent School District to explain why the school district must lower the 1984-85 tax rate in order to raise more money. That's right — lower.

GUSD Superintendent Russell Ward explained the rationale behind the decrease in the school district's tax rate. He said that the district has $276,848 in state funds for the school system this year. And 6.8 percent increased in property values.

The same scenario is playing out across the country this year, which would be a rise of $276,848 over the $271,052 shown last year. And that is the reasoning as to why we are proposing this decrease. It is a matter of prudence.

In this unprecedented situation, explained Mr. Ward, the district has $276,848 in state funds for the school system this year. The situation is playing out across the country this year, which would be a rise of $276,848 over the $271,052 shown last year. And that is the reasoning as to why we are proposing this decrease. It is a matter of prudence.

Scholarship fund aids

PJC receives $10,000 donation

The school received a $10,000 donation from the Panola Junior College Foundation. The gift will be used to provide scholarships for incoming students.

Pioneer teacher dies at age of 73

A pioneer Panola County school teacher died Wednesday. She was 73. The school board will hold a special meeting to honor her contribution to education.

By Mike Peterson

The school board will hold a special meeting to honor the late Panola Junior College teacher. The teacher, who had been a dedicated educator for many years, will be remembered for her contributions to the educational community.

For Labor Day

The local newspapers will be closed Monday. All offices will be closed.

Businesses to close

Local businesses will close for the Labor Day weekend. Most will be closed for the weekend. Some will remain open.

By Mike Peterson

Most local businesses will be closed for the Labor Day weekend. Some will remain open. The local newspapers will be closed Monday. All offices will be closed.

"It's a good day," said Mr. Peterson. But for the newspapers in Panola County, it was a different story. The newspapers had to close their doors on Labor Day.

Pioneer teacher

The late Panola Junior College teacher was a beloved figure in the community. She had dedicated her life to education and was respected by all who knew her.

By Mike Peterson

The late Panola Junior College teacher was a beloved figure in the community. She had dedicated her life to education and was respected by all who knew her.

A photograph of the late Panola Junior College teacher was included in the article. The photograph showed her standing in front of a classroom full of students. She was smiling and appeared to be enjoying the moment.

"It was a pleasure to have her in our classrooms," said Mr. Peterson. But for the newspapers, it was a bittersweet time. They had to close their doors and go back to work on Monday.

Medical center planned

Land is Carriage was cleared this week for development and construction of a new medical center.

Located on the corner of North College and Foreign Street, the new center is expected to provide a range of healthcare services, including primary care, specialty care, and diagnostic services.

The Medical Center project is a joint venture between Land in Carriage and a local real estate developer. Construction is expected to begin in late September and be complete by the end of the year.

For fire, health violations

Park owner receives citation

A local park owner has received a citation for violating fire and health regulations.

The owner, who operates a small park in the city, was cited for not maintaining adequate fire safety measures and for failing to comply with health codes.

The owner has 10 days to respond to the citation.

Murpual drilling action okayed

The city council has approved a permit for drillers to begin exploration for oil and gas in the area.

The drilling project is expected to take several months and will involve the use of heavy machinery.

The council approved the permit after a public hearing and review of the application.

CHS Class of '44 reunion set

A reunion for the Class of 1944 is being planned for this fall.

The reunion is expected to attract a large number of former students and teachers.

The event will include a luncheon, a tour of the school, and a social gathering.

City tax hearing slated

A public hearing on the city's proposed budget for the next fiscal year will be held on Monday, May 15th.

The hearing will provide an opportunity for residents to comment on the budget and ask questions of city officials.

Insurance

Local insurance provider has increased its rates by 5% due to rising costs.

The provider cited rising costs for coverage, including medical expenses and administrative fees, as the reason for the rate increase.

Tatum student enrollment up

Caruthers livestock report

Caruthers Consolidated School District's current enrollment is 670. The Caruthers School Board recently approved a new policy that will allow students to enroll in the district from outside of the Caruthers area. The policy, which was adopted during the board's meeting on March 23, will allow students to enroll if they meet certain criteria, including having a parent or guardian who is a resident of the district. The board's decision was made after receiving feedback from parents and community members who have expressed concern about the district's declining enrollment.

**Coal mine safety figures told**

The Coal Safety Administration has announced that 157 coal miners have been killed in accidents in the last year. Of these, 112 were killed in underground explosions, 21 in roof falls, and 24 in other accidents. The figures are based on reports from mining companies and have been reviewed by independent experts. The Coal Safety Administration has recommended new safety measures to reduce the risk of accidents in the mining industry.

Preparation for Diabetes Awareness anniversary

Diabetes detailed

(Editors' Note: This is the final of a series of articles on diabetes awareness for the month of September.)

With the national emphasis on diabetes awareness campaigns, it is important for everyone to understand the implications of this disease. Diabetes is a chronic condition that affects millions of people worldwide and can lead to serious health complications if not managed properly.

There are two main types of diabetes: Type 1 and Type 2. Type 1 diabetes is an autoimmune disease where the body's immune system attacks and destroys the insulin-producing cells in the pancreas. This leads to a lack of insulin, which is a hormone that allows the body to use blood sugar. Type 2 diabetes occurs when the body becomes resistant to insulin or doesn't produce enough insulin.

Managing diabetes requires a combination of lifestyle changes, medication, and regular medical care. It is essential to maintain a healthy diet, exercise regularly, and monitor blood sugar levels closely.

Pollock booths available

Amy and Emily have booths set up at the Farmers Market, offering a variety of fresh produce and homemade goods. They also have a booth at the Carthage Farmers Market every Saturday from 8 a.m. to 12 p.m.

Calcium importance during national cheese month

Every year, September is designated as National Cheese Month, emphasizing the importance of calcium in our diet. Calcium is a crucial mineral that plays a vital role in maintaining strong bones and teeth, regulating muscle function, and supporting nerve and cell function.

Incorporating calcium-rich foods into your diet is essential, especially for those with diabetes, as calcium helps regulate blood sugar levels. Foods such as dairy products, leafy greens, and fortified cereals are excellent sources of calcium.

Religion

First Things First

By R. J. Anderson

The young parishioners at our church have been working on a special project to support a local homeless shelter. They have organized a fundraiser, and we are all proud of their efforts to make a positive impact in our community.

The Upper Room

By Beth Baker

Mary, a member of our church, has been volunteering at the local soup kitchen every Sunday morning. She always brings a fresh loaf of bread and a warm smile to people in need.

Sorority meeting held

The Alpha Xi Delta chapter had a successful meeting last week. The chapter officers discussed upcoming events and preparations for the sorority's philanthropy, a local cancer awareness campaign.

Maranatha class meets

By Mary J. Anderson

The Maranatha class gathered for their weekly meeting, focusing on the theme of gratitude. Members shared stories of thankfulness and how it has positively impacted their lives.

WORK AND FAITH HAVE COMBINED TO BRING US THE GOOD LIFE

It has been the plan since time began: that man should earn his bread. To plant the crops or work in shops, but drive the plow is in the soil, and to use the tools with skill and power. This we progress toward and success in life we can stand. As you'll conclude, in any creed the Bible says, we are not now work and proper beyond steps. To help our nation grow. So thank the Lord for the leaven. With what you have been blessed, then open what may in Labor Day Enjoy a wonderful visit.

These merchants urge you to attend the chosen house of worship this Sunday!

Carthage begins push for late tax collections

By Dave Caffoon
Carthage city manager Dick Duke said that Carthage will try to get the late tax payments even if they are not able to sell all the property for non-payment. Duke said that the city has several ways to get the non-payment of taxes. He said that this is the time of the year when people are most likely to pay their taxes. He said that the city has a large amount of tax delinquent property and that the city has been able to sell a large amount of property in the past.

All county taxes are increased

By Max Losh
Several Panola County taxing entities have raised their tax rates. The Panola County School District has increased its tax rate by 5 cents per $100. The Panola County Hospital District has increased its tax rate by 6 cents per $100. The Panola County Precinct 2 tax rate has increased by 4 cents per $100. The Panola County Precinct 3 tax rate has increased by 3 cents per $100. The Panola County Precinct 4 tax rate has increased by 2 cents per $100.

Two shootings reported

By Max Losh
Two shootings were reported in the Panola County area over the weekend. The first shooting was reported on Friday night in the town of Carthage. A man was shot in the leg and taken to the hospital. The second shooting was reported on Saturday afternoon in the town of Panola. A man was shot in the arm and taken to the hospital.

Telethon nets $3,000 here

By Max Losh
Carthage High School Key Club held a telethon to raise money for the local chapter of the American Cancer Society. The telethon was held at the school on Saturday night. The Key Club raised $3,000 for the American Cancer Society.
