Tatum school to be dedicated Oct. 21

By Myr Vinyard

The new Tatum Elementary School, which will house grades kindergarten through second, will have its dedication ceremony on Oct. 21.

The ceremony will begin at 2:30 p.m. with a 2:45 p.m. dedication service in the new building at the corner of Washington and Main streets.

Special guests will include the Tatum Board of Education, the Tatum ISD superintendent and other school officials.

The new school was built with funds from a bond issue that was approved by voters in 2018.

The school includes a new gym, a cafeteria, a library, a computer lab and a main entrance.

The building also includes a playscape and a splash pad for students to enjoy.

his selection for the National American
Musical Choral Festival. The Festival
is a significant event for musicians,
providing a platform for students to
explore their musical talents and
network with other musicians from
different backgrounds.

County questions lease agreement at airport

According to the recent meeting, the
County Council determined that the 
lease agreement for the airport terminal
was questionable. This led to a dis
tree of discussions regarding the future
of the airport and its operations.

The County Council expressed con
cerns about the lease agreement, specifi
cally regarding the financial aspects.
They mentioned that the agreement did
not fully cover the costs associated with
the airport's maintenance and oper
ations. As a result, they decided to
review the lease terms and consider
options for renegotiating the agreement.

The council members also discussed
the potential implications of the lease
agreement on the community and the
economic impact of the airport. They
agreed to conduct further research and
consult with experts to better under
stand the situation before making a
final decision.

**Carthage mayor salutes community newspaper**

By E.C. Come, E.C. Go

Newspapers sometimes taken for granted

The time-honored celebration of National Newspaper Week (Oct. 1-7) is a reminder that the newspapers are doing more than ever for the community we serve. This is particularly true in Carthage, where our historic newspaper, the National Newspaper, has been serving the community for over a century.

The newspaper has a long and proud tradition of providing news and information to the community. It is a trusted source of news and information, and it plays a vital role in keeping the community informed.

The newspaper also provides a platform for local businesses to advertise and reach their target audience. It is an important source of economic development in the community.

In this age of digital news and information, the newspaper remains a vital source of news and information. It is a trusted source of news and information, and it plays a vital role in keeping the community informed.

The newspaper is a valuable asset to the community, and we should all be grateful for the hard work and dedication of the newspaper staff. They work tirelessly to bring us the news and information we need to make informed decisions.

Let us all take a moment to appreciate the newspaper and the important role it plays in our community.

**PJC enrollment passes 1,300**

The 1,300 enrollment figure is the result of a concerted effort by the PJC administration and faculty to attract new students. The college has implemented a variety of initiatives, including increased marketing efforts and the introduction of new programs, to increase enrollment.

The college also offers a variety of scholarships and financial aid opportunities to help make education more affordable for students.

In addition, the college has developed partnerships with local businesses and organizations to provide opportunities for students to gain valuable work experience.

The college remains committed to providing a high-quality education to its students and to preparing them for success in their chosen fields.

**Arrests follow alcohol raid**

Carthage City Police arrested four individuals following an alcohol raid last week. The raid was conducted in response to complaints from local residents about the sale of alcohol on the streets.

The arrests were made during a joint operation with the Texas Alcoholic Beverage Commission (TABC).

The individuals arrested were charged with possession of alcoholic beverages without proper license and are currently being held in the Hopkins County Jail.

The TABC and the Carthage Police Department are committed to enforcing the laws related to the sale and consumption of alcohol and will continue to take action against those who violate these laws.

**What’s fair about it?**

We applied the commission’s court for their affairs, ining to be some facts, the facts to the facts in the past. They have been 10 cases that went to the court, and in every case, the court has recently ruled that their facts were not fair. However, a recent court decision has shown that these facts were not fair.

We believe that the court has made a mistake in ruling that the facts were not fair. The court has not considered all of the evidence, and we believe that the facts are, in fact, fair. We are currently working to appeal this decision and to bring the facts to the court’s attention.

Dogs’ speed poses problems for Lions

By DONELA WATSON

With the team advanced to the semi-finals of the 8-AAAA league, Robertson High School looks to continue its winning ways against the visiting Mountain View High School.

Head coach Mike Johnson is pleased with the progress his team has made so far this season. "Our players have worked hard, and we’re seeing the results," he said.

Mountain View, on the other hand, is a team to be reckoned with. They have a strong defense and a quick offense, but Robertson’s speed may be the key to victory.

Johnson plans to use his team’s speed to its fullest advantage, starting with senior running back, Tommy Williams. "Tommy is one of the fastest players on our team, and I expect him to make a big impact tonight," he said.

The Dogs’ defense will also be crucial in helping the team secure a win. Headed by senior linebacker, Michael Garcia, the defense has been solid throughout the season.

"We’ve been working hard on our defense all season long," Garcia said. "I’m confident we can shut down Mountain View’s offense and keep them from scoring.

The game starts at 7 PM. The team will be looking to capitalize on their home court advantage and secure a win against the visiting Mountain View High School.

Offense turned game around in final minutes

Bulldogs rally late, nip Center, 29-22

By DONELA WATSON

The Courtyard’s right wing was the deciding factor in the game as the Bulldog offense came alive in the final minutes to secure a comeback win against Center.

At the start of the second half, Center was leading 24-17. But the Bulldogs quickly turned the tide, scoring 12 unanswered points in the final minutes of the game.

"Our players stepped up big in the second half," said head coach, Tony Johnson. "They were able to get into a rhythm and capitalize on their opportunities.

Center made an attempt to tie the game in the final seconds, but Bulldog guard, Jake Smith, stole the ball and sealed the victory for his team.

The Bulldogs’ defense was also a key factor in their victory. Senior linebacker, Mike Garcia, had 10 tackles and a sack.

"Our defense was great all night," Garcia said. "We were able to contain Center’s offense and keep them from scoring.

The win puts the Bulldogs in a strong position to make a deep run in the playoffs. They will face off against McFarland in the quarterfinals next week.

Willie on mend now
Injury gave Pipkin chance to perform

BY ROY TUCKER

The best thing that could have happened to Willie Pipkin was the injury to Donnie Miller, according to Coach Mike Johnson. Miller's injury has given Pipkin a chance to be the starting quarterback for the Bears.

With only two weeks of practice before the Bear s' season opener, Coach Johnson is hoping the team will be ready for the challenge of playing against the powerful and experienced Bear s.

Johnson, who is in his second year as head coach, said he is confident in his team's ability to handle the Bear s. "We're going to have to play well to win this game," he said. "But I think we have the talent to do it."

Winn-Dixie sales incline

Pensacola, Fla. — New sales records were broken last month at the Winn-Dixie Super Stores here as sales increased by 6.7% over last year. The increase was attributed to the opening of a new store in the Pensacola area and the continued success of the Winn-Dixie Club, which offers discounts to customers who shop at the store.

The new store in the Pensacola area opened last month, bringing the total number of Winn-Dixie stores in the area to 7. Sales at the existing stores increased by 5.4% over last year.

The Winn-Dixie Club has been a key factor in the sales increase, with over 1 million members currently enrolled. Members receive discounts on select items and participate in loyalty programs.
