Talk-Line callers discuss Shires murder trial

Programs: Hi there, this is Mike Mullen with Channel 9 in Waco. We're here to bring you the latest news in the Shires murder trial. Thank you for joining us.

Waco Police have arrested a man in connection with the murder of a local resident. The victim, an elderly woman, was found dead in her home. The police have named the suspect, a known local drug dealer. The trial is expected to start next month.

Response to calls on Shires

It's obvious from the calls on Channel 9 that Waco residents are concerned about the crime wave in the city. Many have expressed their fear of crime and want the police to take action. The police have assured the public that they will do everything in their power to ensure public safety.

"The registrant was born in Texas, grew up in Texas, and still lives in Texas. He is a Texas-registered graduate in the field of agriculture and has been active in the Texas agricultural community for many years."

First official break: though we do not know the family name, we can say that this man has been a member of the community for at least 30 years. This is a very common name in Texas, and it is easy to find information about the family. The family is also active in the community, as indicated by the mention of the registrant being active in the Texas agricultural community.

Next, consider that the registrant was born in Texas, grew up in Texas, and still lives in Texas. This means that the family has been a part of the community for at least 30 years. The family is also active in the community, as indicated by the mention of the registrant being active in the Texas agricultural community.

JESUS REPECT IN THE SPIRIT OF EVIL TO HALLLOWEEN PRANKS

First Things First

When we do anything, we do it for the Master. For, it's his work and we're his servants. God has made it clear that he wants all people to be saved. That's why the Apostle Paul wrote in First Thessalonians 5:23, "Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, if there be any virtue, and if there be any praise, think on these things." When we do our best to do God's will, to follow the example of Christ, to live according to the teachings of the Bible, then we can be sure that we are doing the Master's work.

Beckville gardeners exchange bulbs

Beckville's rock gardeners, under the leadership of Miss Betty Path, exchanged bulbs with Texas Master Gardeners by planting the bulbs at the juncture of the two garden areas. The exchange, coordinated by the Texas Master Gardening program, is designed to increase the biodiversity of the local flora. The bulbs were planted in the morning, followed by a presentation on the care and cultivation of the bulbs. This activity aligns with the mission of the Texas Master Gardening program to promote sustainable and healthy gardening practices.

Steptoe hosts Zi Delta Psi meeting

The Details Psi Chapter of Beta Sigma Psi, the international women's organization, sponsored an awards banquet to honor its members. President Sandy Pope presided over the event, which was held at the Steptoe's home. The banquet featured a dinner and the presentation of awards to members who have distinguished themselves in various areas of the organization. The evening concluded with a dance, providing an opportunity for members to socialize and celebrate their achievements.

For Texas For America

PHIL GRAMM
U.S. SENATE TEXAS

In the 1984 State Convention, the Republican Party of Texas, as resolved, opposed the federal, state and local registration of firearms and government efforts to impose further regulations affecting ownership. The government should not interfere with the constitutional right of citizens to keep and bear arms. To Preserve These Rights, Vote Reagan, Bush & Gramm

Phil Gramm stands with us on issues important to Texas!

The differences in the U.S. Senate race are sharp. Phil Gramm will stand, fight and win for the views held by Texans. His opponent is out of step with Texans. If you don’t think there are any differences, perhaps you should take another look.

Sonic booms shake area; Air Force to blame?

By Paul DeMayo

An Air Force official said Monday that sonic booms have been occurring in the Panola County area due to the testing of new aircraft. The booms are caused by the sonic boom phenomenon, which occurs when an aircraft travels faster than the speed of sound. The booms can be heard as a loud thud or explosion.

Third man is guilty in robbery

A third man has been identified as guilty in the robbery of a local bank. Police say the man joined two others in the heist, which resulted in the theft of a significant amount of money. The investigation is ongoing.
