Fillies win tourney title

Special to the News-Press

The Fillies of Potomac, Maryland, defeated the Seminoles of Oklahoma City, Oklahoma, 45-33, to win the championship of the National High School Basketball Tournament in Kansas City, Missouri.

The Fillies, under the guidance of their coach, Mrs. Elizabeth Jones, played a tight defense throughout the game, holding the Seminoles to a low shooting percentage. The Fillies' defense was particularly strong in the second half, when they limited the Seminoles to just 13 points.

The Fillies were led in scoring by their star player, Sarah Thompson, who scored 18 points on a combination of baskets and free throws. Thompson also grabbed 12 rebounds and dished out 7 assists.

The Seminoles were led by their star player, Jennifer Johnson, who scored 15 points and grabbed 8 rebounds. However, Johnson was limited to just 6 points in the second half, as the Fillies' defense stepped up their game.

The Fillies' victory was a hard-earned one, as they had to overcome a slow start and a strong challenge from the Seminoles in the first half. The Fillies trailed by 6 points at halftime, but came out strongly in the second half, outscoring the Seminoles 26-17.

The Fillies' victory was a significant one, as they became the first team from Maryland to win the national high school basketball tournament. The Fillies' coach, Mrs. Jones, praised her team for their hard work and dedication throughout the tournament.

**Texas Utilities terminates labor contract**

By Debbie Griner
Texans for Labor Action is planning a series of events this month in connection with the upcoming labor contract between the utilities and the Missouri Valley Conference Union.

A rally and protest will be held at the Rock Island Express Station in Austin on Oct. 14th. The unions have joined forces in an attempt to prevent the utilities from terminating their labor contract.

Several unions, including the Communications Workers of America, have been involved in talks with the utilities over the past year. The talks were ongoing as of press time.

The unions are concerned that the utilities are looking to cut costs by eliminating union jobs, and are fighting to keep the current labor contract in place.

A statement from the unions said, "We are fighting to keep our members' jobs and benefits. We are also fighting to ensure that the utilities do not cut corners on safety and quality of service."
