Ohio couple selected Rotary guests following road block

Ohio couple selected Rotary guests following road block

Each year, the Rotary Club of Bowling Green selects two Ohio couples as the guests of honor for their annual road block. This year, the couple selected were John and Jane Smith, who have been married for 25 years, and have three children. They are both retired teachers and have volunteered in numerous civic organizations.

The Smiths were accompanied by their children, who have also been active in community service. The Rotary Club thanked the Smiths for their dedication to the community and their contributions to local organizations.

Fires, freeze plague county

January 1984 in review

A midwinter snowstorm and a long spell of freezing weather that began in early December brought a flurry of snow and ice to the county, which has been experiencing a near-record-breaking cold spell. The historic freezing temperatures have caused widespread damage to crops and livestock, as well as to infrastructure such as roads and bridges. The county has declared a state of emergency, and residents are urged to take precautions against frostbite and hypothermia.

One-hundred-voice effort feudal

July 10 was a major event in the history of the City Council of Carthage, as the council approved a resolution for the establishment of a tax district to fund the construction of a new wastewater treatment plant. The resolution was supported by 100 residents who attended the meeting to express their support for the project.

Other news:

- The City Council also approved a budget for the upcoming fiscal year.
- A new park was announced, with construction expected to begin next month.
- A petition was presented to the council calling for the installation of traffic lights at a busy intersection.

Early morning accident

An early morning accident on July 11 occurred on Hwy. 69, just south of town. A car lost control and collided with a tree, resulting in minor injuries to the driver. The road was temporarily closed to allow for cleanup and damage assessment.

Celebration honors retiree

Sistrunk retires from Carthage Fire Dept.

By Staff Writer

C. G. Sistrunk was honored at a ceremony on July 10, 2023, for his 35 years of service as a firefighter in Carthage. The ceremony was held at the Carthage Fire Department, and was attended by family, friends, and colleagues.

Sistrunk, who retired after serving as a firefighter for 35 years, was recognized for his dedication and service to the community. He began his career with the Carthage Fire Department in 1988, and has served in various capacities over the years, including as a captain and assistant chief.

During his tenure, Sistrunk has been involved in numerous firefighting incidents, including some of the department's most significant ones. He has also been a key player in the department's training and development efforts, helping to ensure that the firefighters receive the best possible training and equipment.

Sistrunk said that he was proud to have served the community and that it had been a privilege to work with such a dedicated group of firefighters. He also thanked his family for their support throughout the years.

The ceremony included presentations of awards and certificates of recognition from various state and local officials. Sistrunk was presented with a plaque, a gift basket, and a retirement party was held at the Firehouse.

"We are honored to have such a dedicated and loyal employee as C. G. Sistrunk," said Fire Chief Tim Smith. "He has made a significant contribution to the Carthage Fire Department and to our community, and we will miss him dearly."
Construction begins soon
$1.4 million incinerator okayed

By Earl Charlier
Construction begins soon on an $1.4 million incinerator that will
be built in the county. The incinerator will be located in the city of
Panola and is scheduled to be completed by late 1986. Once in opera-
tion, the system will provide control over the disposal of solid waste
in the county, reducing the amount of trash sent to landfills.

The expanded system will include a new production line for the incin-
erator. The incinerator will allow the county to process solid waste
in a controlled environment, reducing the amount of trash sent to
landfills. The new production line will be able to process 350 tons
of trash per day, compared to the current 200 tons per day.

Yearly forms on their way
Exit holiday season, enter taxes

By Deke Grimes
It’s that time of year again when the final paper forms are sent out to
each taxpayer. These forms, known as tax forms, are used to track
the capital gains and losses incurred by individuals during the year.

The tax forms will be distributed to taxpayers by mail or可以通过
electronic means. The deadline for filing these forms is January
31, 1987. Those who fail to file their forms by this date will be
subject to a penalty.
