Emotional abuse:
The scars that don't show

By Hannah L. Eastwood

Physicians believe older children are more likely to be victims of emotional abuse than younger children. Emotional abuse is often hidden from view, making it difficult to detect. Children who suffer from emotional abuse may not show any outward signs of harm.

Walker appointed

Walker was elected to the Board of Directors for the National Association of Manpower Agencies. The appointment is effective immediately and Walker will serve a three-year term.

Kappa Lambda holds dinner

Kappa Lambda held its annual dinner meeting on Friday evening. The meeting was attended by a large group of members and guests. The event included speeches, presentations, and a keynote address by a distinguished guest. The evening concluded with a dinner meal.

Beta Rho hears program

Beta Rho conducted its monthly program meeting. The meeting included a variety of activities, including a presentation by a guest speaker, a roundtable discussion, and a social hour. The meeting concluded with the distribution of awards to members who have achieved notable accomplishments.

Champlain shuts down for routine maintenance

City water supply customers may face outage

Weather permitting, customers of the City of Carthage may have to deal with a water outage. According to the City, the water will be shut off due to maintenance. The outage is scheduled for April 30, 5 a.m. to 6 p.m. Residents are advised to conserve water during this period to avoid any inconvenience. The maintenance work is necessary to ensure the water system's proper functioning. Customers are encouraged to contact the City for more information.
White says flat tax bad for oil

By Governor Mark White

Texas Attorney General Greg Abbott is pushing for a flat income tax in Texas, which he believes would be more fair and simpler than the current progressive system.

"A flat tax is the fairest way to tax Texans," Abbott said. "It would simplify the tax code and make it easier for people to understand their tax obligations." Abbott also argued that a flat tax would attract more business to Texas since it would be more competitive with other states.

However, some economists have raised concerns about the impact of a flat tax on the economy. They argue that it could lead to a decrease in government revenue, which could in turn lead to cuts in important programs and services.

"A flat tax is a bad idea," said economist John Williams. "It would lead to a loss of revenue that is necessary for the government to provide essential services to its citizens." Williams also noted that a flat tax could lead to a decrease in economic growth since it would not encourage investments in areas that can stimulate economic growth.

Despite these concerns, Abbott remains confident that a flat tax is the best option for Texas. He has vowed to work with the legislature to make sure that the transition to a flat tax is done in a way that minimizes the negative impact on the state's economy.

Sen. Howard’s Austin Report

Sen. Howard’s Austin Report

Austin Highlights

In his latest Austin Report, Sen. Howard highlights the need for increased funding for education and infrastructure in the state.

"We need to ensure that our schools are well-funded so that our children can have the best possible education," Howard said. "At the same time, we need to make sure that our roads and bridges are well-maintained so that our economy can continue to grow.

McDaniel 'disappointed'

TEC directive troubles Trilli

The TEC directive, which is expected to cause problems for Trilli's businesses, has been met with disappointment by the local community. Many businesses owner have expressed concern about the potential impact on their operations.

Additional information can be found in the local newspaper or by contacting the TEC office.
On 8-AAA girls' team

Four Bulldogs all-district

Carthage seniors Kim Weathersford and Joleen Gillespie both made first team all-district honors. Candle were also honored, as were manager Patricia Weathersford. The seniors, along with three players from the 1992-1993 season, are all part of Carthage's all-time leading scorer list. Zachary Hendrix, who was one of the most valuable players for the Bulldogs, was the only senior on the team.

"I'm pleased for the girls. We played hard, and I think we can build on this," said head coach Earl Jones. "We had a good season, and I'm proud of them."

Carthage's record of 37-1 is the best in the area for girls' basketball, and the Bulldogs are ranked third in the state.

Filly statistics

The Fillys are ranked sixth in the nation, and they have a winning percentage of over .700. Their record this season is 25-3.

NCAA Women's Top 20

The NCAA Women's Top 20 is a ranking of the National Collegiate Athletic Association's best women's basketball teams. It is based on the number of wins and the quality of opponents.

The following teams are part of the Top 20: Baylor, Stanford, Tennessee, UConn, Notre Dame, Texas A&M, Oregon State, South Carolina, Arizona State, UCLA, Nevada, LSU, Nebraska, Mississippi State, Oklahoma State, Georgia, Iowa State, Michigan, and Duke.

County Extension Agent for Panola County, I

Munger, a native of Panola County, enjoys

hosting blueberry field day and workshop set

"Planting Blueberry Field Day and Workshop Set at Texas State University," Hill East Texas AgriLife Extension, 713-864-0021.

Host families needed

Host families are needed for the Blueberry Field Day and Workshop Set on Thursday, February 28th. The event, sponsored by the Texas Agriculture and Natural Resources team, is open to all interested in learning about blueberry cultivation. Host families should be familiar with blueberry growing practices and willing to share their knowledge with visitors.

The Blueberry Field Day will be held at the Hill East Texas AgriLife Research Station. The day will feature educational sessions on blueberry cultivation, planting techniques, and pest management. Host families are needed to provide refreshments, equipment, and assistance to workshop attendees.

Registration: Interested individuals should contact the Texas Agriculture and Natural Resources team at 713-864-0021 to register for the event and to request a host family.

Adoptable animals available
Six cats and eight dog need homes at the Carthage Animal Shelter. Each cat can be adopted free for the entire month of April. There are several other animals may be claimed by their owners until April 15. The shelter is open for adoptions Monday through Saturday from 9 a.m. to 5 p.m. The animals available for adoption are:

- **Cats**:
  - Two cats are available for adoption. They are both adult cats and are very friendly. They enjoy spending time with people and would make great companions for someone who enjoys petting and playing.

- **Dogs**:
  - Eight dogs are available for adoption. They all seem to be in good health and are looking for loving homes. Some of them are more active and would do well in a home with plenty of space to run and play. Others are more laid-back and prefer a quieter environment.

All animals have been vaccinated and are free to adopt. The adoption fee for each cat is $50, and for each dog is $100. If you are interested in adopting one of these animals, please contact the Carthage Animal Shelter at 903-594-5678. The shelter is located at 201 East Main Street in Carthage, Texas. They are open from 9 a.m. to 5 p.m. Monday through Saturday.

Free hearing tests set for Carthage senior citizens

Carthage - Free orientation hearing tests will be given by Hearing Testing and Center on Friday, March 1, from 9 a.m. to 4 p.m. in the Carthage High School Music room. Dr. Dyer and Dr. McAdams, audiologists, will be on hand for the tests.

Attendants will conduct the tests free of charge. However, those who have been told they will be tested for free should bring their insurance cards, if possible, as there may be a small charge for those who have not been told they will be tested.

Attendants are available to help and answer questions about their hearing. They can be reached by calling 1-800-772-7063.

Haley speaks to children

Alvin Haley, author, will be at Carthage High School on Friday, February 23, to speak to students about his book, "The First National Bank of Carthage".

The book tells the story of a group of young people who form a bank in their town to help the poor.

Haley will talk to students about his experiences growing up in Carthage and how the book was written.

The event is free and open to the public. For more information, call 1-800-772-7063.

The energy-saving heat pump saves money

A heat pump is a simple system. In the winter, it takes heat from the outside air and pumps it inside your home. In the summer, it takes heat out of your home and pumps it outside. If you actually "pumps" the heat where you want it, inside in the winter and outside in the summer. The heat pump works automatically and efficiently, and you can control the temperature in your home.

Free hearing aids available for senior citizens

Carthage - Free hearing aids will be distributed to senior citizens on Thursday, March 1, from 9 a.m. to 4 p.m. in the Carthage High School Music room. Dr. Dyer and Dr. McAdams, audiologists, will be on hand to give the tests.

Attendants will conduct the tests free of charge. However, those who have been told they will be tested for free should bring their insurance cards, if possible, as there may be a small charge for those who have not been told they will be tested.

Attendants are available to help and answer questions about their hearing. They can be reached by calling 1-800-772-7063.
