By SUE BARLEY

The Beckville City Council has its finger on the pulse of the community, with the recent decision to begin exploring the possibility of establishing a nutrition program in the city. This initiative is being spearheaded by Sister Mary Anne, a local nun who has been serving the community for many years.

Candidate forum planned March 13

Cenexco of Panola County has invited candidates for the upcoming election to a forum to be held on March 13 at the Panola County Extension Service, located at 1000 North Main Street. The forum will provide an opportunity for the candidates to address issues of concern to the residents of Panola County.

Easter Bunny plans annual egg hunt

The Easter Bunny is gearing up for another successful annual egg hunt, which will be held on Sunday, March 22, at the Panola County Fairgrounds. This popular event is always a hit with the children in the area.

Local priest dies in Houston

Rev. Brown, a long-time resident of Beckville, passed away on March 15. A funeral Mass was held on March 18 at St. John's Episcopal Church, and the interment took place at the Beckville Cemetery.

Jail date moved up

The trial date for the case involving the alleged assault on an officer has been moved up to March 25. The trial was originally set for April 10. The defendant, a local businessman, is facing charges of assault and obstruction of justice.

Arches clear first hurdle with city

New York (AP) - The Commerce Department said Thursday it will allow steel to be shipped to Canada, clearing the first hurdle in an agreement that could result in the first major free trade deal between the United States and a pertinently Canadian nation.

The department said it will allow the export of steel to Canada, but it did not specify how much or how long the agreement would last.

The move is part of an effort by the United States to open up markets for its goods and services, which has been met with resistance from some nations.

The agreement is expected to take effect in January 1977.

Parent’s meeting set

Parents of eighth-graders in Carthage schools are urged to attend a meeting at 7 p.m. Thursday, Jan. 19, at the Carthage High School auditorium.

The meeting is designed to help parents understand the process of selecting a college for their child. It will be led by a group of college admissions officers from various institutions.

Livestock buyers recruited

The Carthage Chamber of Commerce is seeking volunteers to help with the recruitment of livestock buyers for the upcoming livestock show.

The chamber is looking for people who are interested in helping to attract and retain livestock buyers for the show.

Beware of home sales

By JIM HOBBS

Make sure you fully understand the contract before signing. These words sound simple, but they can make a big difference in your financial future. Get a professional to review the contract. Are you getting a good deal? Are there any hidden costs or fees? This is not the time to be rushed or rushed.

Letter to the editor

Dear Editor,

My point is this: if you own property and are thinking about selling, you need to be aware of what you may be getting into. I have had the experience of buying a house in a hurry and lost a lot of money. I believe that I should have taken the time to understand the contract before signing.

I don’t understand why you criticize the salesmen. They have a job to do and they do it as well as they can. They are not going to work for free. If you want to save money, you need to be willing to pay them.

I agree with you that the real estate business should be regulated. However, I don’t think that the government should be involved in regulating the business. The government should not interfere in the free market.

Sincerely,

[Sign-off]

Bike-A-Thon rated as successful

By ABBEY ZEISLER

Winn-Dixie, the nation's largest supermarket chain, has announced that its annual Bike-A-Thon has been a record-breaking success.

The event, which took place on September 11th, saw participants raise funds for local charities through the sale of raffle tickets and donations. Winn-Dixie supermarkets across the country participated in the event, with proceeds benefiting various community organizations.

Over 10,000 participants registered for the Bike-A-Thon, which included both children and adults. The event featured a variety of bike-related activities, including a bike race, bike safety workshops, and a bike repair station.

The funds raised during the Bike-A-Thon will be used to support Winn-Dixie's charitable initiatives, including food banks, after-school programs, and community health clinics.

'_cats nip Bears

BECKVILLE — A 44-yard fumble return by James Blackwell helped the Yellowjackets of Beckville defeat the Bears of Giddings 28-18 Friday night in a District 12-3A contest.

Blackwell intercepted a pass near his 40 and returned it all the way to the Giddings 3, where the Yellowjackets scored.

For the Yellowjackets, Gerald Wynn had 150 yards rushing and two touchdowns.

For Giddings, Kevin Jones had 150 yards rushing and a touchdown.

Central Baptist plans sanctuary

By MARY RECH
Central Baptist Church of Corn-"eule, 506 7th St., has announced that construction of a 90-year campaign project will begin soon. The cornerstone will be laid on April 15.

This building will be a long-awaited project that will provide much needed space for the congregation. The church has grown steadily over the years and the new sanctuary will accommodate this growth.

The Board of Deacons has been working on the project for several months and is excited about the progress being made.

The sanctuary will include a new fellowship hall, a larger choir area, and an updated audio-visual system.
