AGRICULTURE

Reserve cropland program extended

Texas farmers will have an op-
portunity to reserve their cropland
into the government's Conservation
Reserve Program (CRP) which expired
two years ago. The CRP, which was estab-
lished in 1985, is designed to reduce
environmental damage by providing
payments to farmers who furnish land
with low or no tillage, planted to grass or
other non-crop cover. The program is
available to all customers of the Texas
Agricultural Credit Corporation or
other approved lenders. Farmers can
apply for the program through their
local office of the Texas Department of
Agriculture.

Proper watering techniques necessary for lawns, plants

Modern watering systems have made it easier than ever to
properly water your lawn and garden. But how often should
you water? What's the best way to water? Here are some
guidelines:

1. Never water your lawn the day before or after a rain.
2. Water in the early morning or late evening when the
wind is calm.
3. Water deeply, and water less often.
4. Use a sprinkler system to ensure even water distribution.
5. Check the soil moisture level before watering.
6. Watering during the daytime can be more efficient.
7. Watering after sunset can reduce water loss due to evaporation.
8. Watering during the early morning can reduce water loss due to
heat and wind.
9. Watering after sunset can reduce water loss due to heat and wind.
10. Watering during the early morning can reduce water loss due to
heat and wind.

Guidelines for fertilizing

Correct fertilization is essential for a healthy lawn. Follow these
guidelines:

1. Fertilize your lawn in the early spring and late fall.
2. Use a slow-release fertilizer for best results.
3. Water after fertilizing to help the nutrients reach the roots.
4. Avoid fertilizing during hot, dry conditions.
5. Use a correctly calibrated spreader for accurate application.
6. Do not fertilize more than once a month.
7. Do not fertilize for at least 3 weeks after a rainfall.
8. Do not fertilize during the fall if the temperature is below 60°F.
9. Do not fertilize during the fall if the temperature is below 60°F.
10. Do not fertilize during the fall if the temperature is below 60°F.
Special session brings comments, cures

Ty Dement chaired the health and human services work committee of the House Committee on Health and Human Services. He was joined in the hearing by Rep. Alex Hornby, Rep. Chuck Smith, and Rep. Dan Huberty. The committee met to discuss proposed changes to the state’s Medicaid program.

The bill, which would increase the state’s Medicaid spending by $1 billion, was controversial among lawmakers. Some argued that the increase was too much and would strain the state’s budget, while others believed it was necessary to provide adequate healthcare for all Texans.

After a heated debate, the committee voted to approve the bill and send it to the full House for consideration.

Asst. DA is insurance

Whether the insurance commissioner can fill the proposed liability insurance gap for doctors in Texas remains to be seen. The commissioner has said that he will work with the legislature to address the issue.

The proposed legislation would allow doctors to purchase liability insurance through a state-run program. The commissioner has been in discussions with lawmakers about the details of the program, including how it would be funded.

The commissioner has also said that he will work with the legislature to ensure that the program is fair to both the doctors and the patients.

Editorial

The editorial board of the Galveston Daily News has come out in support of the proposed liability insurance program. They argue that it is a necessary step in ensuring that doctors have access to affordable insurance.

The board notes that the current system is broken and that doctors are being forced to pay exorbitant premiums in order to protect themselves.

They believe that the new program would be a much-needed relief for the medical community.

Rodeo winners, helpers, listed

The 36th Annual Porterville Rodeo and Parade was held on Saturday, July 31st. The event featured the annual Porterville Rodeo, which included a variety of rodeo events such as bull riding, bronc riding, and barrel racing.

The parade was led by the Porterville High School band and featured floats, antique cars, and various groups representing the local community.

The rodeo winners were as follows:

- Rodeo Queen: Sarah Johnson
- Rodeo King: James Brown
- Best T-shirt: The Bucking Bricks
- Best Horse: The Flying Mustangs

The parade also included a fireworks display and a live music performance by local musicians.

Bids opened

The City of Porterville has announced that bids will be accepted for the construction of a new city hall. The project is estimated to cost $5 million.

The city has released the specifications for the project and is encouraging interested contractors to submit their bids.

The deadline for submitting bids is August 15th.

Family Day

The City of Porterville has announced that Family Day will be held on Saturday, September 10th. The event will feature a variety of activities for the whole family, including games, music, and food.

The city has also announced that there will be a special guest appearance by a local celebrity who will be announced at a later date.

Man also killed in Porterville crash

A man was killed in a single-vehicle crash on Highway 118 in Porterville on Saturday morning. The man was identified as 32-year-old John Smith.

According to the Tulare County Sheriff’s Department, Smith was driving a truck when he lost control and struck a tree. He was pronounced dead at the scene.

The incident is currently under investigation by the Sheriff’s Department.

Law enforcement officials are reminding drivers to always系安全带, and to drive carefully on the roads.

Phantom Investor

A phantom investor has been identified in the investigation of a recent fraud case in Porterville. The investor, who is believed to be operating from outside the country, has been using false names and addresses to conceal their identity.

The investigation is ongoing and the authorities are urging anyone with information to come forward.

Fiesta Time

The Fiesta Time restaurant in Porterville has announced a special event for the upcoming Fiesta Time.

The restaurant is offering a special menu featuring traditional Mexican dishes, as well as live entertainment.

The event will be held on Saturday, August 19th, from 6-10 PM. Reservations are recommended.

Tecate and Margaritas will be served, and there will be a cash bar.

Sweepstakes

The Porterville Daily News announces a sweepstakes with a chance to win $1,000. The sweepstakes is open to all residents of Porterville, and the winner will be announced in the newspaper on Tuesday, August 15th.

To enter, send your name, address, and phone number to the Porterville Daily News, P.O. Box 1234, Porterville, CA 93285. No purchase is necessary.

Subscriptions

The Porterville Daily News offers a special subscription rate for new subscribers. The special rate includes delivery of the newspaper to your home.

The subscription rate is $49.95 for 12 months.

To order, call 555-1234 or visit our website at www.porterville-news.com.

Supports Hargett

The Texas Legislative Black Caucus has announced its support for Representative James Hargett, D-Porterville, in his re-election campaign.

The caucus, which represents the black members of the Texas House of Representatives, has endorsed Hargett in his bid for re-election.

The endorsement was made during a meeting of the caucus earlier this week.

In a statement, caucus co-chair Representative Tony Williams said, "James Hargett has consistently fought for the people of Porterville and the state of Texas. We are proud to support him in this election and look forward to working with him to make Texas a better place for all its residents."
Employees participate in Float Promotion

Employees of the Carruthes Bakery store and personnel in the 19th Street Senior Center in Anacortes, Washington, are planning to participate in the 19th Street Senior Center's Float Promotion, set for Saturday, August 21.

The promotion is scheduled to take place from 10 a.m. to 2 p.m. and will feature various floats created by community members. The promotion aims to showcase the talents of local businesses and individuals, while also raising awareness for the needs of the elderly community.

By TEXAS FOOTBALL

CHS No. 4 in ratings

Carthage is ranked third in Class 4A under both the Texas Associated Press Media and the United Press International (UPI) polls. The Carthage game is set for 7 p.m. Thursday against Van at Robertson Stadium. Former Carthage coach Bill Pollard is now Van's head coach. The Bobcats were Carthage's last district opponent before they were defeated 21-7 by the Bulldogs.

CHS Coaches Scott Lee and Wade Youngblood work on helmets.

Two-a-days begin Friday

Dogs could be best yet

Carthage football coach Bill Pollard, who guided Carthage to a Class 4A state championship last season, opened his second season at Van with an 8-0 record. Pollard's rebuilding program is back in full swing. He has a solid core of returning players, including senior quarterback Mike Davis, who was named All-State last year. The Bulldogs are expecting a strong season under Pollard's leadership.

On Saturday, let's elect our hardworking neighbor, Edd Hargett.

Edd Hargett is a hardworking neighbor who will be the hard working State Senator for all of us in North East Texas. Edd isn't a politician, he's a farmer and a businessman. He is the head of the East Texas Economic Development Commission working to create new jobs, or as he likes to say, "I've moved out of farming hard to find better community - a better place to live.

Edd Hargett has the experience to help create new jobs and bring new business here.

Edd Hargett has the commitment to work for more local control of our schools and more discipline in our classrooms. Edd Hargett has the common sense to oppose a state income tax.

Edd Hargett has the courage to defend our traditional values of God, family and hard work.

Edd Hargett has the independence to stand up to Governor Mark White and fight for what is right for North East Texas.

The strong, independent, conservative leader we can count on to fight for all of us in the Texas Senate.

HARGETT

TEXAS SENATE
Hot weather creates record electricity use

By SWEPCO Customers

High temperatures across the state have resulted in the highest recorded daily use of electricity since SWEPCO began tracking the data in 1982. The average daily peak power需求 was 2,030,000 kilowatts on July 7, breaking the previous record of 1,990,000 kilowatts set on June 23, 2004. This record was reached on a day when temperatures reached 100 degrees, with the hottest temperature recorded in Texarkana达到了106 degrees.

The increased demand on the grid is due to the high temperatures, which increase the demand for air conditioning. Officials at SWEPCO are urging customers to conserve energy by turning off lights and air conditioning when not in use. Customers are also being encouraged to use fans instead of air conditioning whenever possible.

Beware of injury from summer sports

Summer, with its longer days and warmer weather, can be a season for increased activity. However, it can also be a time of increased risk of injury. Take precautions to protect yourself and others around you.

Take it easy at all sporting events and practice good sportsmanship. Wear appropriate protective gear such as helmets and pads for contact sports. Stay hydrated and take breaks if needed. Be aware of your surroundings, especially when playing in unfamiliar areas.

NO SAFE CIGARETTES

Cigarettes are not a safe alternative to smoking. No matter how you smoke them, they can cause serious health problems. Use smokeless options instead.

DA decision expected Monday

BY CARY BRUCE

As the 13th District Attorney, the DA will have to decide whether to refile the case or not. It's a decision that could affect the future of the district attorney's career. If the DA decides to file charges, the case will go to trial. If the DA decides not to file charges, the case will be closed.

The DA's decision could be influenced by a number of factors, including the evidence, the potential for a guilty verdict, and the impact on the community. The DA will have to weigh these factors before making a decision.

Meanwhile, the defense team is preparing for the trial. They will be seeking to prove the defendant's innocence. The defense team will present witnesses and evidence to support their case. The defense team will also challenge the prosecution's case and attempt to cast doubt on the evidence.

The trial will be held in a state court. The trial will be presided over by a judge. The trial will be open to the public. The trial will be televised.

If the defendant is found guilty, they will be sentenced to prison. The sentence will be determined by the judge. The defendant will have the option to appeal the decision.

The DA has not made a decision on whether to file charges. The DA has not made a decision on whether to refile the case. The DA has not made a decision on whether to seek the death penalty.

The DA's decision will be announced on Monday, August 10, 2006.
