Brown burns Bulldogs in re-match

Has 270 yards total offense in 43-12 win

By TED LEECH

PANOLA COUNTY - As the fans filled the stadium and the lights of the evening shone down upon the field, one thing was certain - this would be a battle of top-ranked teams. "If there's any way you make this one real like a war," said one observer, "I know you've got to have something to watch for." And indeed, the game turned out to be just that.

It was the boys at Lee Brown Central, looking to add their name to the list of unbeaten teams. The defense was ready, the offense was hungry, and the game was on.

When the game began, it was clear that this was not going to be an easy win. Carthage, ranked number one in the state, had the ball and the Bulldogs were going to have their work cut out for them. But that didn't stop them.

Defensive play was strong from both teams, with a couple of big stops early in the game. The offense, however, was the real show-stopper. Brown had some big plays early on, with a few runs and passes that caught the defense by surprise.

As the game progressed, the offense continued to dominate, with some key plays that kept the defense on their heels. The Bulldogs were not to be outdone, however, and they fought hard to keep up.

In the end, it was Brown that came out on top, with a final score of 43-12. The defense held strong, with some key tackles and interceptions. The offense was also a key factor, with some big runs and passes that caught the defense off guard.

Overall, it was a great game, with some exciting moments and some close calls. The fans were on their feet, cheering for their teams to the very end. And in the end, it was Brown that emerged victorious. A great game, and a great start to the season.
56-0 victory cinches district title

Jackets destroy Waskom Wildcats

Elgin Fields — Playing like a group possessed, the Elgin Jackets burst out to a quick lead and never let Waskom get close to their defense on the way to taking the District 10 title.

Waskom, on the other hand, made a strong showing, scoring two touchdowns and gaining 300 yards in the process. But it was not enough to overcome the aggressive play of the Jackets.

The Jackets started strong, scoring on their first drive of the game. They added another touchdown in the second quarter to lead 14-0 at halftime. Waskom came back to make it a 21-14 game early in the third quarter, but Elgin closed out the game with two more touchdowns to claim the district title.

Bowman helps Dogs cop victory

Alan Bowman has been on the football field since he was a little boy, helping his father coach the same team for years. He has been a great asset to the Dogs, always staying calm and focused even in the toughest of situations.

The game was well underway when Bowman made a brilliant move. He intercepted the ball from the opposing team and returned it for a touchdown, putting the Dogs up by seven points. The crowd erupted in cheers as Bowman ran with the ball, evading every tackle.

In the final moments of the game, Bowman made a crucial tackle to secure the victory for the Dogs. His performance was nothing short of spectacular, and his teammates couldn't help but admire his skills.

We can only imagine what the future holds for Alan Bowman and the Dogs. With him on their side, they are sure to continue succeeding on the football field.
1986 Beckville Homecoming

How sweet it is!! Beckville wins over Cushing, 20-6

BY CARY BRUCE

The Beckville Bearcats took on the Cushing Bobcats Friday night at the Beckville High School Homecoming football game. The Bearcats took the win, 20-6.

The game was well attended, and the stands were nearly full of fans cheering on their respective teams. The Beckville Bearcats played their hearts out, scoring 20 points against the Cushing Bobcats.

Fourth quarter

The fourth quarter was exciting as the Bearcats scored a touchdown to increase their lead. The Cushing Bobcats made a comeback attempt, but it was too little too late. The final score was 20-6 in favor of the Bearcats.

Things were looking good for the Bearcats as they moved the ball downfield and set up a touchdown opportunity. The quarterback threw a perfect pass to the wide receiver, who made a great catch in the end zone.

The Cushing Bobcats tried to mount a comeback with a strong offensive drive, but the Bearcats defense held strong, preventing them from scoring.

The game was a great example of the competitive spirit and sportsmanship that characterizes high school football.

State roads grow quickly

The economic boom that has transformed Texas into one of the nation's leading economic centers has led to a surge in road construction and maintenance. The demand for new roads and the need to upgrade existing ones has put a strain on the state's transportation infrastructure. The increased traffic has led to longer commute times and increased congestion, which has prompted the state to invest heavily in road projects. The construction of new highways, bridges, and tunnels has been ongoing, with a focus on improving access to major cities and improving connectivity. The state has also been working to address the needs of rural areas, where the lack of infrastructure has been a significant challenge. Overall, the boom in Texas has had a significant impact on the transportation sector, with a focus on ensuring that infrastructure keeps pace with the state's growth.

Defense wise, taking it apart
in that first half was a real
problem. We were a little
delayed on the lines and on
the plays. We played better in
the second half, but we still
had some mistakes.

Offensively, we scored
three touchdowns and had
two field goals. We did a
good job of moving the ball
and capitalizing on our
opportunities.

The win was important for
us as we prepare for our next

Church marks 141st year

By DOROTHY ROYSE

Memorial Baptist Church, on the Henderson Highway near Carthage, has kept the honor of being the oldest church in the area. The church has a long history and has undergone many changes over the years. The current building, which was completed in 1950, is a modern structure compared to the original church, which was built in 1859.

Last Sunday, the church congregation gathered for the annual service, which included a special program to celebrate the church's 141st anniversary. The service was attended by members from the local community, as well as other churches in the area.

Church members shared memories of the past and reflect on the future of the church. The pastor, Rev. John Wayne Gradberg, said, "We've come a long way since our humble beginnings, but we remain committed to serving the community and spreading the message of the Gospel."
Ministerial group plans Thanksgiving

County Memorial Alliance, according to the Rev. Billy Shaffer, minister of the United Methodist Church at Lake Nona, will host a Barbecue Dinner on the fifth annual Day of Thanksgiving, Thursday, Nov. 28, at 6:30 p.m. in the Church. 

The Rev. William W. Johnson, pastor of the church, said that the church will hold a service at 11:00 a.m. to commemorate the day of Thanksgiving.
