BY MRS. CLYDE BAKER

Feb. 22 is a day to remember. It's the birthday of my husband, Clyde Baker. He was born in 1932, making him 88 years old. He has always been a pillar of strength and support. He is known for his sense of humor and his ability to make people laugh. He's a great listener and always has a good story to tell. Clyde's birthday is always celebrated with a family gathering. We will be having a cake, candles, and a prayer to thank God for giving us such a wonderful husband and father. Clyde, we love you and we are so grateful for everything you do. Happy Birthday, Clyde!

**T-Wheeler, Susie takes on plastic containers**

By Alan Miller

The idea of having a plastic container in your kitchen is not new, but the idea of someone actually using one is.

The plastic container is a small, clear container that can be used to store food. It is easy to clean, and it is also durable. The container is made of plastic, which makes it lightweight and easy to handle.

The container is also a good idea for people who are on a budget, as it is cheaper than other storage options.

The plastic container is also a good idea for people who are environmentally conscious, as it is made of recyclable materials.

14.21 Murvaul Monster goes to Lunker program

Ritter breaks record

Stan Ritter is back in the state’s Top 10 again, and with good reason. Mike Monahan–a bass weighing 11.83 pounds–headed straight for the Goofy Lunker for Murvaul Monster Bass Fishing had a very good showing.

The program offers Texas anglers an opportunity to catch a bass and enter it into the contest. Each state has its own rules, but basic requirements include: the fish must be alive, and must not be under 14 inches long or weigh less than 1 pound.

The goal of the program is to promote bass fishing and conservation. The state with the largest bass wins the annual Lunker award. It is a contest between states to see which has the largest bass.

Ritter's fish was weighed at 11.83 pounds. It's a great catch! He's been fishing for bass for many years and has been very successful. Ritter is known for his skills and expertise in catching big bass.

Murvaul Monster Bass Fishing is a great way to get out on the water with friends and family. It's a fun and exciting activity that the whole family can enjoy. Whether you're a beginner or an experienced angler, Murvaul Monster Bass Fishing is sure to be a great experience.

Ritter was very proud of his catch and was thrilled to have won the award. He's looking forward to returning to the event next year and hopes to catch another big bass.

Fishing is just a hobby, but Ritter takes it very seriously. He's a great competitor and always puts in the time and effort to prepare for the event. Ritter is a true fishing enthusiast and loves to share his passion with others.

The Murvaul Monster Bass Fishing event is a perfect example of how fishing can bring people together. It's a great opportunity for people to come out and enjoy the water, connect with others, and have fun. Whether you're fishing for fun or trying to win a prize, Murvaul Monster Bass Fishing is a great event for everyone to enjoy.

Thanks for reading about Stan Ritter's big catch! We hope you enjoyed learning about his success and are inspired to get out on the water and have your own fishing adventure.
