DeBerry News

On Sunday, June 7, two sons of Jerry and Thelma Johnson celebrated the birth of their new son, Matthew Lee, in the onions.

Karen Goolsby, who works at the DeBerry Hospital, was there to help deliver the baby, and she said Matthew was born at 8:14 p.m. on Sunday, March 17. He weighed 8 pounds, 4 ounces, and was 20 inches long.

The couple, who live in DeBerry, are also parents to another son, Alex, who is 5 years old. A girl, add, is on the way.

Confusion surrounds Fat.

Father's Day is one of the major holidays around the world, celebrated in a variety of ways depending on the culture. In the United States, it is traditionally celebrated on the third Sunday in June, and there are many ways to celebrate.

For some, it is a time to honor fathers and father figures. This could include sending cards, giving gifts, or simply spending time together. For others, it is a time to reflect on the importance of family and the role that fathers play in shaping our lives.

In recent years, however, there has been some confusion about the correct way to celebrate Father's Day. Some argue that it should be celebrated on the same day as Mother's Day, while others believe it should be celebrated on a separate day.

There is also some debate about the origins of Father's Day. While it is widely believed to have been celebrated in the United States since the early 1900s, there are differing opinions about who first came up with the idea.

Regardless of the origins, Father's Day has become a widely recognized holiday in the United States, and it is celebrated in many other countries around the world as well.

Foundation approves trilogy crossmatch.

By Tina Kelley

The Panola County Foundation, a charitable organization established by an act of the Panola County Commission, has approved the third phase of a program designed to improve the health and well-being of the community.

The program, which is called the Trinity Crossmatch, will involve a series of initiatives aimed at addressing a range of issues, including education, health, and crime prevention.

According to Foundation President Tom Johnson, the Trinity Crossmatch will be a significant step forward in improving the quality of life for residents of Panola County.

"We are thrilled to have the opportunity to support this important program," Johnson said. "The Trinity Crossmatch will have a profound impact on the lives of our community members, and we are committed to ensuring that it is successful in achieving its goals.

"I would like to thank the Panola County Commission for their ongoing support of the Foundation's work. We are proud to be able to serve the community in this manner and look forward to continuing our efforts in the future.

Fire halts work at Carthage Cup.

The Carthage Cup, an annual event held in Carthage, Texas, was put on hold due to a fire that broke out near the venue.

According to local reports, a fire broke out at the Carthage Cup on Friday, May 28. The fire was reported to authorities at around 11 a.m., and firefighters responded quickly to contain the blaze.

The fire caused significant damage to the venue and forced organizers to postpone the remainder of the event.

"We are deeply disappointed by the fire and the impact it has had on our event," said event organizer John Smith. "We want to assure our participants and spectators that we are working hard to put on a great show as soon as possible.

"We appreciate the quick response of the fire department and the cooperation of the community in helping us尽快恢复赛事。"
