G. What social security will do for you? How much will it be worth to you if you apply? If you're planning to apply for the first time after 1983, you may want to check with your Social Security office to find out how much will be paid to you.

A. An excellent source of Social Security information is the U.S. Department of Health and Human Services, Social Security Administration.

Due to the large number of people who are eligible for Social Security, the Social Security Administration has established several ways to help people get the information they need. One way is to call the Social Security Administration in your area. They can provide you with information about the benefits you may be entitled to receive.

Crow-Neal vows repeated in home of bride's parents

Jackie Jean Crow and Jack Steve Neal Jr. exchanged vows in a ceremony performed by Rev. John C. Crow of the Church of Christ, Carthage, on Saturday, May 15th, in the home of the bride's parents, Mr. and Mrs. Ralph Crow of Carthage.

The couple, who met while attending East Texas State University in Tyler, have been a couple for 10 years and were married in a civil ceremony in 2007. Together, they have two children, Jack, 8, and Lily, 6, and a daughter-in-law, Jewell, 30. They currently reside in Carthage, where they operate a small nursery.

The couple's love for flowers and nature was evident in the decorations for the wedding, which included vibrant bouquets of red and white roses, calla lilies, and ranunculus. The reception was held in the couple's backyard, where guests enjoyed a delicious meal of BBQ, hamburgers, and hot dogs.

Jackie Jean Crow, a native of Carthage, graduated from Carthage High School in 2001 and earned a degree in elementary education at East Texas State University. She is a kindergarten teacher at Carthage Elementary School. Jack Steve Neal Jr., a native of New Boston, graduated from New Boston High School in 2001 and earned a degree in business administration at East Texas State University. He is an accountant for a local business.

The couple's future plans include expanding their nursery and starting a family business. They are looking forward to the next stage of their lives together and are grateful for the love and support of their family and friends.

Know Your Heritage

By JERRY BROOMAN

God's love is our source of comfort when sorrow descends

I could have happened to anyone, and it did happen to a well-known family in a small town. Because of a tragic and inexplicable accident, a little child was killed, and the world as we knew it changed forever. But then something remarkable happened. A church answered the call and stepped up to provide comfort and support to the grieving family.

First Things First

By JERRY BROOMAN

One of the good benefits of having a church is that its members are often willing to step in and help when things go wrong. This is especially true when a family is going through a crisis. The church was there for the family, and they were able to find comfort in the love and support of their community.

**Personnel layoffs predicted**

County may cut budget

The Panola Watchman reports that the county may have to cut its budget due to a decrease in personnel. The county has been forced to lay off several employees due to budget cuts. The budget cuts are expected to have a significant impact on the county's operations.

**For Social Security applications**

Preparation speeds up processing

Social Security applications can be processed more quickly if applicants prepare their materials ahead of time. Social Security recommends that applicants gather all necessary documents, such as birth certificates and Social Security cards, before applying. Social Security also suggests that applicants contact their local Social Security office to schedule an appointment.
