Graves transfers to Bonham
FmHA office changes hours

The Carnegie office of Farm
Mortgage Agency has moved to
Bonham, effective July 1. The
office of Mary Graves, county
loan officer, will remain at the
Carnegie office.

Graves has been transferred to
the new office, where she will
continue to handle the same
region as she has here.

The Carnegie office will be
closed for the week of July 13.

Constitution framers avoid slavery question

By David White

Student vows to right wrong done to Miss Margie’s memory

By Dorothy White

NEW YORK—The Constitutional Convention of 1787, which met in New York City and adopted the United States Constitution, is widely regarded as one of the most important events in American history. However, the Convention’s role in shaping the nation’s future was not without controversy, particularly when it came to the issue of slavery. Despite the fact that slavery was a widespread practice at the time, the Constitution was written in a way that avoided explicit mention of the institution. This omission was due in part to the resistance of several key figures who believed that slavery was incompatible with the principles of liberty and equality that the Convention was supposed to embody.

Many of the delegates to the Convention were slave owners themselves, and they were deeply divided on the issue of slavery. Some wanted to end slavery altogether, while others believed that it should be preserved. In the end, the Convention failed to address the issue directly, and the resulting Constitution was left with an ambiguous stance on the matter.

However, the Convention’s failure to address slavery was not without consequence. The omission of any mention of slavery in the Constitution paved the way for the expansion of the institution, which eventually led to the rise of the slave trade and the further entrenchment of slavery in the South. It was not until the Civil War, more than 100 years later, that the issue of slavery was finally resolved, with the adoption of the Thirteenth Amendment to the Constitution in 1865, which abolished slavery throughout the United States.

On August 30, 1887, the New York Times published an article by David White, titled “Constitution framers avoid slavery question.” The article, which ran in the Sunday, August 30, 1887 edition of the newspaper, provided a detailed account of the debates surrounding the issue of slavery during the Constitutional Convention, and highlighted the fact that the framers of the Constitution were ultimately unable to come to a consensus on the matter.

The article begins by noting that the Constitution was written in a way that avoided explicit mention of slavery, and that the omission was due in part to the resistance of several key figures who believed that slavery was incompatible with the principles of liberty and equality that the Convention was supposed to embody. The article then goes on to describe the various approaches to the issue of slavery that were taken by the Convention’s delegates, and the various compromises that were eventually reached.

The article concludes by noting that the omission of any mention of slavery in the Constitution paved the way for the expansion of the institution, which eventually led to the rise of the slave trade and the further entrenchment of slavery in the South. It was not until the Civil War, more than 100 years later, that the issue of slavery was finally resolved, with the adoption of the Thirteenth Amendment to the Constitution in 1865, which abolished slavery throughout the United States.

The article is a valuable historical document, providing a detailed account of the debates surrounding the issue of slavery during the Constitutional Convention, and highlighting the fact that the framers of the Constitution were ultimately unable to come to a consensus on the matter. It is a reminder of the complex and often contentious nature of the debates surrounding the issue of slavery, and the difficult choices that were made by the delegates to the Convention in an effort to create a constitution that would be fair and just for all Americans.
Burnett's celebrates business' opening

Burnett's Carpets and Carpets Center of Carthage, located at 117 E. 11th, was opened by the late Charles E. Burnett. Mr. Burnett's grandson, Allen Burnett, is the new owner of the business. The store specializes in carpeting, rugs, and area rugs. The location is open daily from 9 am to 6 pm. The opening was met with excitement by the local community.

Police report

Two Carthage men arrested for burglary

Two men, 23 and 24, were arrested today in connection with a burglary at a local store. According to police, the men entered the store and stole several items, including electronics and tools. The men are currently being held at the Carthage Jail on charges of burglary. More information will be released as it becomes available.

Old Timers’ deadline

The Old Timers deadline for entries is today. Entries must be postmarked by this date to be considered.

THE "Convertible"

A New Mortgage Concept From Longview Savings.

With a "Convertible," you have a choice: the top up, or the top down.

- If interest rates drop, you can convert to a "Fixed Rate," and lock in a lower payment.
- If interest rates rise, you can convert to a "Variable Rate," and adjust your payment to fit your budget.

The family of Cutey Bob has decided to follow the "Convertible" concept for their new home. They wanted a mortgage that could go up or down. After all, they were the one to convert to a fixed rate. But now they have the "Convertible" home.

No matter what the Federal Reserve does, you'll have a mortgage that can adjust to your needs.

The "Convertible" is available at all Longview Savings locations. Call us today to learn more.

Scouts laud Atlanta, Hallsville
Dogs' opponents appear improved

BY TED LEACH
Current Atlanta fans may be taking a few weeks at the end of the season to get over the loss of quarterback Jimmy Swaggart. The Atlanta Falcons have had a tough season so far, but they have managed to stay in the playoff hunt thanks to the team's defense.

The Atlanta defense has been a key factor in the team's success, and they have been able to bring their best efforts to the field every week. The defense has been able to shut down opposing offenses and keep the Falcons in the game.

However, the offense has struggled to come together, and the team has not been able to score many points. The Falcons have had to rely on their defense to get them through games, and they have been able to do that despite the challenges.

The Atlanta defense has been able to bring their best efforts to the field every week and keep the Falcons in the game. The defense has been a key factor in the team's success, and they have managed to stay in the playoff hunt thanks to their efforts.

Meeting the Bulldogs
Carriage Atlantic Yeast Club members hosted the football team and club members at the city's downtown hotel on Thursday. Attendees gathered in the city's downtown hotel on Thursday to watch the football team.

The team's performance was especially strong when they played the first contact, and they were able to score some impressive goals.

"I'd like to invite you to dinner at my place."

As Manager of Church's Fried Chicken, I'd like to invite you to dinner at my place.

I'm very proud of the delicious, high-quality fried chicken we serve at Church's, and I am equally as proud of the friendly Church's people who serve it.

If you love your fried chicken big, tender and juicy like I do, then I know you're going to love Church's. And even though it's procurable good for a low Church's price, I hope you'll still feel like you're getting a treat.

"Welcome to Church's."

Hope to see you soon.

Sincerely,

"I'd like to invite you to dinner at my place."
