State sales taxes increase 5-6%

Some rate increases to kick in Oct. 1

The highest rate increase is 5 percent. Negotiations in Austin hit a standstill. The legislators set the rates to be issued next month. The higher rates are intended to allow the state to continue to collect sales tax. Some businesses, especially those in the retail area, have already been collecting sales tax on a voluntary basis. The state has the authority to make these increases effective without the consent of the legislature. The new rates will be in effect next month. The sales tax is expected to increase the state's budget by $200 million. The state expects to collect $1.2 billion in the next fiscal year. The rate increase is expected to result in an increase of about $1.2 billion in the state's budget. The higher rates are expected to make the budget more stable. The legislature plans to consider further legislation on sales taxes and other issues during the upcoming legislative session. The next session is scheduled to begin in January. The legislators are expected to consider a number of issues, including sales taxes, education, and transportation, among others.

Drug awareness classes offered

A fall/winter course in drug awareness classes, funded by the Department of Community Services, will begin this week. The classes will be held on various weekdays and will include information on prevention, detection and treatment of drug abuse. The classes are open to the public and will feature guest speakers from various organizations.

Know Your Heritage

By Leila R. Laidlow

The name Laidlow is a combination of last names of the three Laidlow brothers, who came to this country from England in the 18th century. The family has been in this area since then, and many of the family members have participated in civic and community activities.

Audits ensure smooth running system

By Alan Miller's T-WHEELER

Eavesdropper learns new line

One seemed to remember that almost every time the lady had been on the phone with the bank, the lady had been wearing a white shirt and blue jeans. She also seemed to notice that the lady had been using a laptop computer while talking on the phone.

New York State has introduced a new law that allows banks to make loans based on the information gathered from phone conversations. The new law is designed to increase lending to consumers who may not have access to traditional banking services.

A bank official said, "We are excited to be able to offer our customers a new way to access capital. This new law will help us reach more people who have been left behind by traditional banking systems." The bank officials added that they are already working to create partnerships with organizations that can help identify potential borrowers.

The new law has been met with mixed reactions. Some people have welcomed the move, while others have expressed concerns about the potential for abuse by lenders. The new law will likely be a topic of discussion at the upcoming legislative session.

Market Report

Things are looking up for downtown businesses as the hot weather continues to draw people outdoors. Many stores in the downtown area are reporting a steady increase in foot traffic, with some reporting an increase of 20% or more over the same time last year. This trend is expected to continue as the summer season progresses.

SPORTS MIDWEEK

Dogs find offense; Lions lose some

Reynolds sees chance with powerful new offense

Wade out for 8-AAAA opener

Watson in charge

Henderson Trail Tense 35-12 Rivalry, but nothing big

Henderson's Coach McCall named new 8-AAAA opener

The series

Henderson will use its mobile defense to keep the Panola offense in check. McCall is expected to call a variety of defenses, including some exotic formations. Henderson's coaching staff is already familiar with the tendencies of the opposing offense. McCall has been preparing his team for the upcoming contest.

Henderson will face the defending district champion in this week's game. The Panthers are coming off a 56-7 victory over Carthage and will look to continue their winning streak.

The Panthers will need to be at their best to have a chance against Henderson. The team will be without two key players due to injuries. The Panthers will rely on their defense to slow down the Henderson offense.

Henderson will use its powerful defense to contain the Panther offense. The Panthers will need to be prepared for the, scoring of Henderson's rushing attack. Henderson will rely on its running game to control the game.

The series

The series will feature two strong offensive teams. Henderson will use its powerful line to create big holes for the running backs. The Panthers will use their speed to create mismatches.

In Marshall cross country
Carthage second

Marshall — Carthage grey cross country team placed as high as it has in the last eight years, finishing second in the bi-district meet at Sulivan last Saturday. Second place was also a first since 1980, when the Maroons took second in the regional meet.

The Carthage grey, led by J.D. Smith, placed second in the regional meet. The grey team has not placed above sixth since 1980.

Carthage coach Dave Wilson said the team was helped by a 1-2-3 finish by seniors J.D. Smith, Scott Codd, and junior Matthew Stites. Their performances helped the Maroons finish second.

Amy on record pace

AC likes locals

Allen Dingman — Every time AC plays in a district basketball game, there’s a good chance that local athletes will be on the court.

The ACCC basketball team, led by head coach Don Thompson, consists of a number of local players.

The team’s roster includes players from local high schools.

Doing lots of things right

Davis says Dogs okay

Carthage’s 40 yards football players and coach are looking for a win on Thursday night against Van in Carthage.

Coach Larry Davis said his team has not been playing well as a team.

Their record this season has been 1-6 overall and 1-5 in district play.

He said they have not been a good team because they have not been able to execute their plays properly.

Davis said they will have to be better on Thursday night to have a chance to win.

Thank You

The CHS Varsity Cheerleaders would like to give a special "Thank You" to all the Carthage fans for their great support at the 1967 Homecoming Game. This made our job so much easier for your added support.
Against Henderson jvs Thursday

Dogs face weighty problem

Carriage freshman coaches Doug Reid and Glen Smith have thrown a game plan for the Hendersons and Carriage that they hope will work. The Dogs have been unprepared in every game they have played since the team's first game against Lakeview. The Dogs are looking for a break in the game plan against Henderson.

"I think our kids will be ready against Henderson," Reid said. "Our last game against Lakeview was a key game for us. The Dogs are tough and we played them well. We showed a lot of improvement in the first game against Lakeview. That game showed that we can play well against the best teams."

Reid also mentioned that the Dogs have had some problems with the ball, but they have been working on that in practice. "We have been practicing with the ball and our passes have improved," Reid said. "I think we can have a good game against Henderson if we play well with the ball."

Friday is homecoming

Jackets to face outgunned Rams

Carriage senior running back David Johnson will be facing the Rams for the first time this season. The Rams are coming off a loss to the Yellowjackets and are anxious to get revenge. "We lost to the Rams last week and we want to get revenge," Johnson said. "We will be ready for them this week and we will play well."

The Rams have been playing well in recent games, but they will be facing a tough Carriage team this week. "The Rams have been playing well, but we are playing well too," Johnson said. "We will play well against the Rams this week and we will win."

The game will be held at Carriage's home field and will be a key game for both teams. The winner will have a good chance of making the playoffs, while the loser will have to work hard to make the playoffs.

Dogs liked fan support

When the Carriage fans got ready to cheer, the crowd erupted in cheers. The fans were waving flags and shouting encouragement to the players. "The fans were great," Reid said. "They showed a lot of support for the team and it was a great game."
WIC revises eligibility guidelines

The Texas Department of Health has revised eligibility guidelines for its Special Supplemental Food Program (WIC). The program provides food assistance to low-income, pregnant, breastfeeding, and postpartum women, infants, and children. To be eligible, applicants must meet the following criteria:

- Income Eligibility:
  - Women: $15,139 or less
  - Infants and Children: $14,025 or less
- Residency: Must reside in the county where the WIC agency is located
- Medical Certification: May be required for some participants

The changes take effect immediately, and the program is currently accepting applications.

Homecoming activities begin at 7:00

The Elsian Fields Homecoming 1987 game is scheduled to begin at 7:00 p.m. Friday, Oct. 9. Game information will be held off-site.

Heart Beats to be featured at Potlatch
When most people think of the detectives in crime-solving, they think of the usual suspects: Sherlock Holmes, James Bond, and the like. However, there are many other detectives who are just as skilled and just as dedicated. One of them is Tim Beatty, a detective for the Los Angeles Police Department. He has been on the force for over 20 years and has solved thousands of cases.

Most of Beatty's cases are murder investigations. He has to use all his skills to solve these cases, including his analytical abilities and his ability to think outside the box. Beatty is also known for his attention to detail, which he believes is crucial in solving crimes.

Some people say that being a detective is a lonely job, but Beatty disagrees. He says that working as a detective is actually quite rewarding. He gets satisfaction from knowing that he is making a difference in people's lives.

Beatty enjoys his job and it shows. He is always ready to take on a new case and he never loses his enthusiasm.

The Los Angeles Police Department is fortunate to have someone as dedicated as Tim Beatty on their team. He is a valuable asset to the department and he is respected by his colleagues and by the community he serves.

**Notice of the New Transit Offering Cooperative Service**

General Public Company of the Cooperative Service of the Public Transit System

Effective immediately, the Public Transit System will be offering a new cooperative service to the public. This service will provide a more efficient and effective way for commuters to travel around the city.

The new service includes a fleet of modern electric buses that will operate on fixed routes throughout the city. Passengers can purchase tickets at any of the stops or at the central station. The buses will operate from 6 a.m. to 10 p.m. daily.

The cooperative service is being offered in collaboration with several local businesses, including hotels, restaurants, and retail stores. This partnership will help to offset some of the costs associated with the new service.

The Public Transit System encourages all commuters to try out this new cooperative service and to provide feedback on their experiences. The system's goal is to continue improving and expanding this service to meet the needs of the community.

**Western Round-Up**

Above All, RESISTOL

When you choose A & Z, you get more for your money.

A & Z is proud to offer you the best in Western wear. We have a large selection of Resistol hats in various styles and colors. Our Resistol hat collection includes styles such as the Cheyenne, the Arizona, and the Tucson. We also carry Resistol hats in sizes ranging from 6 1/4 to 8 1/4.

In addition to our Resistol hat selection, we carry a variety of other Western wear items, including boots, belts, and shirts. Our boots come in a variety of styles, including the classic cowboy boot and the rugged mountain boot. We carry belts in a variety of colors and styles, including leather and nylon. Our shirts come in a variety of colors and styles, including long-sleeve and short-sleeve.

Stop by A & Z today and see our selection of Western wear. We have everything you need to look your best in the great outdoors.

**Sorority members met**

Kappa Alpha Theta sisters met for a meeting of the chapter on Monday evening. The meeting was held in the chapter's new meeting room on the campus of the University of California.

The meeting started with the usual roll call and reports from the officers of the chapter. Then there was a discussion of the upcoming social events and activities. The sisters were excited about a trip to the San Francisco Zoo later in the month.

After the business meetings, the sisters enjoyed a potluck dinner. They served a variety of dishes, including pizza, pasta, and sandwiches. It was a great way to socialize and catch up with each other.

The chapter is looking forward to a busy semester with many events and activities planned. The sisters are excited to welcome new members and to continue building the chapter.
