Old jail renovation to be discussed

By Mrs. Lee H. Paulsen

The old jail in the Panhandle was built in 1907, and is located just north of the courthouse. It has served the community well over the years, providing a safe and secure place for law enforcement to hold prisoners until they could be tried in court. However, the building is now in need of repairs and renovation, and a proposal is being discussed to modernize it and make it more efficient.

Dogs belly up in zone chase

By TED LASH

It was all over for the Bears on the day after Thanksgiving. The Bears’ defense didn’t show up, and the offense couldn’t get anything going. The Bears lost 21-0 to the Lunch pails.

The Bulldogs entered the game with a 1-1 record, but the Bears were the favorites. The Bears had been playing well, and they were the better team. The Bulldogs, on the other hand, had been struggling.

The game started off with the Bears on offense. They drove down the field and scored on a touchdown. The Bulldogs answered with a field goal, but the Bears scored again on a touchdown.

The Bulldogs kicked off to start the second half. They scored on a touchdown, but the Bulldogs couldn’t keep up with the Bears. The Bears scored three more touchdowns in the second half, while the Bulldogs couldn’t score.

The Bears won the game 21-0, and they were off to a good start in the final regular season game. They still have a chance at the playoffs, but they’ll have to win their last game to have any chance.

The Bulldogs didn’t have much of a chance, and they lost 21-0. They’ll be playing in the playoffs, but they’ll have to win their last game to have any chance at the championship.

PGH board: did they or didn't they resign?

By Dorothy Hufner

LULU — The PGH Board of Directors, after much deliberation, has decided to resign their positions at the end of the year. According to sources, this decision was made after extensive conversations with the company's top executives and was based on the idea that the current board members were no longer able to effectively lead the company.

In a press release, the board stated, "After careful consideration, we have determined that it is in the best interest of our company to appoint new leadership to guide us into the future.

The board members will remain in their positions until a new board is elected at the annual meeting. They will continue to work closely with the company's executive team to ensure a smooth transition.

This decision was not easy for the board members, who have dedicated many years of service to the company. However, they believe that it is in the best interest of the company and its shareholders.

The company's employees and customers can expect continued strong performance and growth in the future under the new leadership.

In closing, the board members would like to thank their colleagues and the company for their support and dedication over the years. They look forward to working together in the future to ensure the continued success of the company.

**Hospital board no longer sitting ducks**

Commissioners liable

Judge Parker has decided to take action against the commissioners for their negligence and mismanagement of the hospital. The commissioners have been accused of not fully understanding the financial crisis and not taking adequate steps to address it.

If the commissioners do not resign, Judge Parker will issue an order to remove them from their positions. The commissioners have until next week to resign, or face legal action.

More than 6,700 attend

The weather was still sunny and warm as the Potlatch crowd gathered at Carthage Municipal Park for the annual event. Despite the heat, the crowd was in high spirits as they enjoyed the various activities and games available.

This year, the event saw an estimated attendance of 6,700 people, making it one of the largest crowds in recent years. The atmosphere was electric as people of all ages came together to celebrate the spirit of community and tradition.

**Free Halloween movie set**
