Contested seizure ends in mistrial

By Sheri Cohry Staff Writer
Defense attorney Alan Selman argued Panola County to the State Bar, with Carthage, to the Department of Public Safety of

In another case that could veer off course, a "judgment" trial was conducted in a mistrial when a "judgment" trial was declared after a full day of deliberations Wednesday.

According to Selman, when the jury deliberated, the result of a mistrial was 10-1. By the end of the day, two of the jurors changed their minds to a guilty verdict.

Robert B. Mays Jr., was arrested May 2, 1987, on U.S. 59 by Carthage Police Officer Carl McCollum for fleeing possession of marijuana. Mays found on approximately 113 pounds of the illegal substance, which was being transferred.

The trial is not unusual, as the defendant has previously been charged in drug trafficking cases since 1987. However, what makes this case so unique is that it is the latest of three cases being tried.

Jury selection begins Monday in murder trial

District Attorney John B. Walker and defense attorneys T.V. Reed and W. J. Shoupe agreed to start jury selection Monday in the trial of David Metcalf. Metcalf has been charged in the May 28, 1987, murder of a member of his graduating classmate, Jerry Dowling.

Arrived on May 30, Metcalf has been charged with capital murder.

According to reports from investigators, Metcalf and Dowling had been attending a graduation party at the time of the slaying. The investigation led to the arrest of the defendant.

TV listings change

You may have noticed something different about your television listings this week. In fact, you may not have noticed at all. The change is for the better.

We're going to do away with the magazine format and put the listings on an inside page of the newspaper. There will be listings in both the Holiday Edition and the County Edition. They will be easier to use and more memorable.

On the other hand, the editors at the cable department have clarified the new cable service. The new cable service will be the same thing for the next couple of issues. Strain said.

We apologize for the delay, but county leaders who depend on their local newspapers for television program information will soon get that same information in an easier-to-read format.

A trail dusting is a practice used to prevent the spread of fire by clearing vegetation in areas along hiking trails. It is a way to protect the environment by reducing the risk of wildfires.

Bulldogs score big win in title bid

Carthage defeats Palestine 59-49

BY TED LEACH

PANOLA — Gameiro Carroll was the hero for Carthage as he capped off the Bulldogs' season-long title bid with a big win over Palestine. Carroll scored 20 points, including the game-winning basket, to lead Carthage to the victory.

Carroll's heroics came in the form of a quiet, unassuming player who has been with the team since the beginning of the year. He had been a solid contributor, but had never really had a big game until now.

The Bulldogs opened the game with a 10-0 run and never looked back. Carroll was the catalyst for the Bulldog offense, scoring 10 of those points. He also had a key assist in the first quarter that set up a basket by teammate Leanard Valentine.

The Bulldogs led 20-5 at halftime and never looked back. They showed their mettle in the third quarter, outscoring Palestine 19-7 to build a commanding lead. Carroll had 10 points in the third quarter, including a three-pointer that put them up 39-12.

Carroll's heroics continued in the fourth quarter, where he scored 10 points and had two assists. He played through foul trouble, but his presence on the court was felt throughout.

Carroll's performance was a fitting end to a season that has been anything but easy for the Bulldogs. They had to overcome injuries, tough opposing teams, and the pressure of being in first place.

But Carroll's performance and the team's overall effort was the perfect way to cap off the season. The Bulldogs have a chance to make history, and they did just that with a big win over Palestine.

LUFKIN — The Prescott Panthers struggled to contain the Lufkin Panthers in the second half, leading to a big loss for the Panthers. The team is now in the midst of a three-game losing streak.

The Panthers had a 20-10 lead at halftime, but the Lufkin Panthers came back with a 19-14 run in the third quarter. The Panthers were unable to hold off the Lufkin attack, and the game ended with a 10-0 run by the Panthers in the fourth quarter.

The Panthers have been struggling on both offense and defense, and coach Brad Smith said he needs to address the issues before their next game.

Angelina tips PJC

BY TED LEACH

LUFKIN — The Angelina Bobcats have moved up in the TEC standings after a big win over the Palestine Bulldogs. The Bobcats have been in a bit of a slump, but this win could help them get back on track.

Angelina was led by senior forward Jordan Black, who scored 20 points and had 10 rebounds. The Bobcats were also able to get a good balance of scoring from their lineup, with four players scoring in double figures.

The Bulldogs had a tough time defending the Bobcats' offense, and they were unable to keep up with Angelina's scoring. The Bobcats' defense was also a key factor in their victory, as they held Palestine to just 49 points.

The win moves Angelina into second place in the TEC standings, ahead of Palestine. The Bobcats will now look to build on their momentum as they prepare for their next game.

**Methodist official praises local churches**

By Dorothy Meza

When Jack Shultz was growing up in the Bridgeport area of Conn. he lived in a small apartment. Even though he was a Methodist, he was confused about his faith and didn’t feel a part of the church. It wasn’t until he went to college that he began to understand his faith and feel more connected to the church.

In my mind, every Christian should feel that there is a great need for evangelism. It’s not enough to just go to church and sit in a pew. We need to go out and share our faith with others.

Shultz is currently the Methodist official in charge of evangelism for the Oklahoma area. He says that the church needs to be more active in reaching out to the community and sharing the message of Jesus Christ. He believes that the church should be more involved in community service and outreach programs to show others the love of God.

Shultz says that the church should be a place where people can find hope and comfort in their times of need. Attaway District continues to grow stronger

The Attaway District has made up of two counties, Panola and Shelby, and has always had a good Scouting program to tell about. The number of youth involved has been better than others. Last year there were 10,000 youth in Panola County and a plan year in Shelby County and about 10,000 in the other nine counties. The Attaway District has a Key Committee of ten people. Danny Palmer, president of Panola County Council, is the model for a look of leaders. There is never a shortage of youth. If we could double the number of units now we would double the number of youth involved. Thad applied for a grant in the other county and the district, each with a charter. The Bank of Carthage is the district chairman and Big Mumur of Carthage is the unit chairman. Judge Banker is vice-chairman and the county chairman.
