Drug busts quadruple in 1987

By Sharyld Curley

Parade County law officers made over four times as many drug-related arrests in 1987 as they did in 1986, according to statistics compiled by Parade County Sheriff’s Investigator Kevin Jones. Records show that 23 drug-related arrests were made in 1986, 22 were made in 1987. In 1988, two law enforcement officers - one a deputy and one a police officer - were arrested on drug charges.

I don’t know how much the total amount of drugs seized were worth,” Jones said “;I couldn’t remember.”

Department of Public Safety Trooper Barry Washington and Carthage Police Officer Kevin Davis each made a bust that netted over $1 million in cocaine.

McConnaughey confounded 4.4 pounds of cocaine on New Year’s Day while drug trading. The cocaine had an estimated street value of approximately $2 million.

Ward, 23, was arrested on drug charges. He was later released. The cocaine had an estimated street value of approximately $2 million.

Jr., was arrested on drug charges. He was later released. The cocaine had an estimated street value of approximately $2 million.

Chamber sets direction for the rest of 1988

By John Coleman

Watchman News Editor

Under the leadership of a new president and board, the Parade County Chamber of Commerce has initiated a year’s worth of work, taking some new directions from the outset. New chamber president Mac Whiteman headed the 1988 plan at the February directors meeting.

The responsibility for leading the Parade County Chamber of Commerce in the direction of its established goals for 1988 falls on the shoulders of three board members. However, these three director leaders will have several backing committees under their chairmanship, each with members helping them. In this way, the activities of the chamber will flow down into the membership and the satisfaction of making the program work can be shared by all.

This year’s reason for the changes in the 1988 projects of the chamber will be handled, board president Mac Whiteman has directed at their first meeting of the year.

The program includes:

1) Continue to develop new programs and activities.

2) Actively promote tourism.

3) Continue to develop new programs and activities.

Metcal murder trial

Juror selection resumes in trial

Only one juror was found Tuesday in the capital murder trial of Dr. Norman Dollar, the former Parade County Sheriff.

A total of 250 prospective jurors were called last week to the Parade County Courthouse to screen out the 300 remaining cases. Of that number, 50 were excused due to lack of transportation or defense attorney's availability. The remaining 200 selected were drawn from the 400 jury pool.

The trial is set to begin Wednesday in Parade County Circuit Court. The trial is expected to last six weeks.

Mosby murder trial

Judge selection resumes in trial

Juror selection resumed Tuesday in the capital murder trial of Dr. Norman Dollar, the former Parade County Sheriff. The former Parade County Sheriff's Office, which was stopped last week due to staffing issues, was resumed yesterday. The trial is expected to last six weeks.
Candidates voice opinions

The debate in the county's recent race for District Judge was one of the most controversial in recent memory. Both candidates, Dave Smith and John McCall, brought strong arguments to the table, with Smith advocating for a more conservative approach and McCall pushing for a more progressive one. The issues at stake included the role of the judiciary in society, the need for judicial reform, and the importance of public trust in the legal system.

WIFE SAID AT PASS' side throughout long illness

Panama women said that she was with her at all times during her long illness. Mrs. Pass, 92, passed away on November 28, 2023, at her home in Panama. She was a beloved member of the community, known for her warm heart and generous spirit.

"I am very grateful for all the support and care she received during her illness," said Mr. Pass. "She was a true friend and a role model for us all."

Midnight feasting at 30,000 feet

Come with us to those feeling days of pregnancy. When a plane was an en-
vironmental threat and gourmet meals
were a luxury. Days when all was
sweet, all was acceptable. All was
pleasure and long and left and left.
When light came only a dream, a
vision of beauty, a dream of
beauty. When those were years of
photography, when those were years of
music. When those were years of
Romanticism, when those were years of
the belle... When those were years of
the belle...

"When I see snow I feel happy"

As East Texans experienced the rare occasion of snow for the second time this year, fifth graders in Mrs. Reid’s Bakers-**Science Class wrote about their inner feelings on the subject. Here are a few that they shared with Panola Newspapers.

Fifth graders share insight on snow

Snowball fun

Heather Ballard (left) takes aim as she prepares to throw a snowball at her friend Julie Field. The girls and many students enjoyed a little time in the unexpected snow Thursday.
