Carthage Independent School District’s Board of Trustees cut $10,487,785 from its proposed budget — but less than $2 million to $2.7 million — and the pared-down figure still amounts to a 7.7 percent increase over last year’s budget.

Superintendent Mac Wheeless said, at the time, to provide the district with the ability to increase its funds to $22 million, which could be increased more than three percent — which calls for a public hearing — but less than the years rollback rate, which would allow for fees further remotely at the polls.

The revised new fee roll will be $13.81 per $100 valuation.

Wheeless and members of the board are scheduled to discuss a proposed rate roll during a special meeting at 7:30 a.m. Mon- day morning, with the next public meeting at 7 p.m. that afternoon. Mac Wheeless said Monday meeting. "But there are a couple of areas I'm not really comfortable with."

Wheeless said the budget was the one that's coming back from the board, both amounts received a $250,000, reducing the capital funds to $350,000 and the passing fund to $950,000.

Local rodeo fans were able to enjoy wine and enjoy a unique get-together of the event throughout the week, ranging from fishing to rodeo viewing at the Dixie Lake Park.

Timpson man loses his life in truck fire

A Timpson man died early Friday morning as a result of smoke inhalation and thermal burns, after becoming a falling object in the truck while the fire raged.

The body of Charles Wayne Blaine of Timpson was found by a family member at 6 a.m. Friday morning at the residence of the family, located on the southeast corner of the Panola Volunteer Fire Department, which responded to a call of a fire.

RSVP needs transportation aids

Your town and festival needs your help with transportation. RSVP is raising funds to purchase a bus to transport attendees to and from the festivities. The event will be held in April, and the bus will be used for various functions, including shuttles to local attractions and assistance for those who may need transportation due to disabilities or other circumstances. To meet your goal, RSVP is seeking donations of $250 per family or $500 per individual. These funds will be used to cover the cost of purchasing and maintaining the bus. To contribute, please contact your nearest RSVP representative or visit their website. Your support is greatly appreciated.

‘Aldersgate Again’ will begin Sunday

By Julie Johnson

The annual ‘Aldersgate Again’ celebration will begin Sunday night at First Assembly of God Church, 700 N. 14th Street. The event begins with worship beginning at 7 p.m.

Superintendent Claude Dyer said the purpose of the celebration is to give the church family a chance to worship and build relationships as they celebrate their faith in Jesus Christ.

The theme for the celebration is ‘Aldersgate Again,’ which is named after the small town in England where John Wesley, the founder of Methodism, is said to have had his conversion experience on June 27, 1738.

The celebration will feature worship leaders and musicians from First Assembly of God Church, as well as guest worship leaders from other churches in the area.

The event is free and open to the public. Attendees are encouraged to bring a friend or family member to share in the celebration.

Sweet by and bye and bye proves enjoyable now

When it comes to music, there is no one-size-fits-all genre. Each person has their own unique taste and preference when it comes to what they like to listen to. At one time or another, we have all had the experience of being exposed to music that we absolutely love and others that we just can’t get into.

This is where the music community comes in. There are music communities all around the world, from small local groups to large international organizations, that bring people together to share their love of music. These communities are a great way to connect with others who share the same passion as you.
