Neurotic cat, dirty shirts confessed

We will not be home to receive, and the less
we are home, the less things are to
bother us. It’s not that we don’t
want to do housework, it’s just that
we don’t want to do housework. It
would be much easier if we could
just leave the house and not worry
about the things that need to be
done.

We have been thinking about
not having a cat anymore, but we
are not sure if we should. We
have always had a cat and it
would be hard to get rid of it.

It’s just that the cat has been
behaving itself in that I want to
leave them alone. I have been
thinking about getting a new
cat, but I don’t know if I want
one.

I think we should talk about it
more before we make a decision.

Strictly personal

For lots of reasons, it’s Eugene V. Debs

I used to ask my friend Vanda where she
would like to go next. She would always say,
“Why, Eugene V. Debs, of course!”

Vanda was a very intelligent woman who had
never been to college. She was a good
friend and I always enjoyed spending time
with her.

Vanda was a suffragist and a labor
organizer. She was a leader in the fight for
women’s rights and she was a strong advocate
for workers’ rights. She was a very dedicated
person who worked hard for what she believed
in.

Thank you, Vanda.

Letters to the Editor

Dear Editor,

I would like to see that the action
taken by the city to improve the
quality of life for all citizens is being
recognized.

The recent improvements to the
area have made a positive impact
on the community. I am pleased to
see that the city is taking steps to
improve the quality of life for all
residents.

Sincerely,

[Name]

Social Security survivor benefits outlined

Social Security survivor benefits can be vital to the financial security of those left behind after the death of a loved one. The benefits are designed to provide financial assistance to the surviving family members, including the spouse, children, and dependent parents. The eligibility and amount of benefits depend on the relationship to the deceased individual and their work history.

Custodians set special meet

Custodians of the Panola County Cattleman’s Association set aside funds in the late 80s to help the association financially. The association received a $10,000 donation from the Panola County Chamber of Commerce in recognition of its work in the cattle industry. The association plans to use the funds to support local cattle shows and events.

Bridge improvement projects scheduled

Water Board audit favorable

Mr. and Mrs. Bob Jones have announced their intention to withdraw from the local real estate market and move to a retirement community in the South. The couple purchased the property 20 years ago and have enjoyed living in the area. They plan to sell the house and move to Florida next year.

4-H club seeks members; area meeting dates set

By Mary F. White

The Panola County 4-H Club is seeking members for the upcoming season. Interested individuals are encouraged to attend the meetings to learn more about the organization and its activities. The meetings will be held on the first and third Wednesday of each month at the Panola County Fairgrounds.

CISD board to meet

The CISD board will meet on Tuesday, June 14, at 7:00 p.m. in the district office. The meeting will include updates on the school district’s financial status, as well as discussions on upcoming projects and improvements.

The group has received a $10,000 donation from the Panola County Chamber of Commerce in recognition of its work in the cattle industry. The association plans to use the funds to support local cattle shows and events.
Dogs' offense stalls, Gladewater wins 13-10

By TED LAVENDER

Gladewater rode past perfect weather and another strong performance by senior quarterback Randy Choate on Saturday to down Commerce 13-10 and move into the playoffs.

Choate was on target with his passes for much of the contest. He completed 14 of 23 for 227 yards and one TD.

"It was a good game, a great game," said Gladewater coach Denton Smith. "The Commerce kids played a heck of a game. We had a good game also. But at the end of the day, they didn't have enough to mount a comeback. We have a lot of room for improvement, but we're 1-0.".

Choate said the Bulldogs defense did a good job of limiting Commerce's high-powered offense.

"They were playing some pressure defense and it was a little bit confusing," said Choate. "I just tried to make some good decisions and put the ball in the hands of the receivers. We had some bad throws, we had some good throws, and we tried to just drive it down the field.".

The Bulldogs scored on a 44-yard TD pass from Choate to senior Daniel Czepka late in the first half to take a 6-0 lead.

Commerce came right back with a 96-yard drive on the next series, scoring on a 25-yard TD pass from senior quarterback Jake Wilson to senior tight end Karsen Walker.

"We had a good drive and it was really nice to get it in," said Commerce coach Mike Walkup. "We thought we had a shot at it there. But then we came right back and had a great drive in the second quarter to come right back. We played hard and it was a great game for us.".

The Bulldogs answered with a 54-yard drive, scoring on a 6-yard TD pass from Choate to sophomore receiver Logan Jordan.

"That was a big score for us," said Smith. "We had a chance there to pull away but we only scored 13 points. We had some chances to score but we just couldn't get into the end zone.".

Choate added a 28-yard FG early in the fourth quarter to increase the score to 16-10.

The Bulldogs defense held Commerce to only 214 yards of total offense, with 24 of that coming on the ground.

"We had a good game plan coming in," said Smith. "We had a good defense and we knew we needed to stop them on the ground. We were able to do that and it was a good job by our defense.".

Choate said the Bulldogs have a lot of work to do before their next game.

"We've got a lot of work to do," said Choate. "We've got to work on our offense and our defense. We've got to work on our special teams. We've got a lot of work to do.".

Gladewater will play next week.

"We're 1-0," said Smith. "We've got a lot of work to do but we're 1-0. We've got a lot of work to do but we're 1-0.".

Beckville falls, 21-12

ODF City - A 12-12 win over Beckville Saturday afternoon.

Beckville, 14-7, built a big lead and held on to the win.

The Bulldogs had a good game and played a great game.

Coach Dave Smith took game strategy.

"They played a great game," said Smith. "They played a great game. We played a great game. We played a great game."
Fall 14-8 to Bears

Bulldog freshmen suffer first loss

By TED LEACH

Gladewater freshman running back Daren Drake led his team to victory over Panola College with 14 points. The Bulldogs played well against the Bobcats, but the Bobcats had more experience and were able to pull away late in the game.

Drake had 100 yards on 15 carries, and his touchdown gave the Bulldogs a 7-0 lead at halftime. Panola College answered with 8 points in the second quarter to take a 1-7 lead. Gladewater came back to tie the game with 3 points in the third quarter, but the Bobcats scored 7 points in the final period to win, 14-10.

AC loves it!

CHS connection

When you ask about Austin Area Junior College, you ask about the college where they play football. The Ducks play Junior College football, and they are the only college in the state that has a football program.

The cross-country team was one of the schools' main sources of pride. The team has been in existence for 20 years, and they have been successful more often than not. The team has won the state championship four times in 20 years.

Penalty proves costly as Bulldogs accept tie

By TED LEACH

GLADWATER - A night to remember for the Gladewater Bulldogs. The Bulldogs got off to a slow start, but they were able to come back and win, 24-14, against Carthage High School. The Bulldogs were able to hold off the Carthage Pioneers in the second half.

The Bulldogs (1-0) were led by quarterback Chris Medlin, who threw for 200 yards and two touchdowns. The Bulldogs were also led by running back Daren Drake, who ran for 100 yards and one touchdown.

Six Mile Church remembered well by Thomas

By Dorothy Hensley
Six Mile Church, the little red brick church, is the oldest church in the area.

The church was built in 1880 and is still standing today. It is located on the corner of Six Mile and Main Streets.

According to the church register, the first record of a church service in Six Mile was in 1880. The church was built by a group of investors who had a dream of having a place of worship in the community.

The church has been a part of the community for over 135 years. It has been a place of worship for many families and has played an important role in the community.

Today, the church is still in use and is a beautiful example of how much the community has grown over the years.
